The Undead Next Door Love At Stake Book 4:

The Undead Next Door Kerrelyn Sparks, 2008-01-29 Three signs that something is very different with your new man 1 He sleeps all day which would be annoying except he's so attentive at night 2 He's attacked by sword-wielding assailants yet insists he can handle it on his own 3 He never seems to age Heather Westfield has always lived a quiet life but that all changes when she helps a very handsome very mysterious stranger There's something not quite right about Jean Luc but still she's never been with a man so charming so attractive so wonderful Now if only a murderous villain wasn't after them they might get their happily ever after

The Vampire Archives Otto Penzler, 2009-09-29 The Vampire Archives is the biggest hungriest undeadliest collection of vampire stories as well as the most comprehensive bibliography of vampire fiction ever assembled. Dark, stormy and delicious once it sinks its teeth into you there's no escape. Vampires Whether imagined by Bram Stoker or Anne Rice they are part of the human lexicon and as old as blood itself. They are your neighbors, your friends and they are always lurking. Now Otto Penzler, editor of the bestselling Black Lizard Big Book of Pulps has compiled the darkest, the scariest and by far the most evil collection of vampire stories ever. With over eighty stories including the works of Stephen King and D H Lawrence alongside Lord Byron and Tanith Lee, not to mention Edgar Allan Poe and Harlan Ellison. The Vampire Archives will drive a stake through the heart of any other collection out there. Other contributors include Arthur Conan Doyle, Ray Bradbury, Ambrose Bierce, H P Lovecraft, Harlan Ellison, Roger Zelazny, Robert Bloch, Clive Barker.

Forbidden Nights With a Vampire Kerrelyn Sparks, 2009-04-28 Vanda Barkowski is in trouble. As the owner of a hot nightclub, she's more unconventional than most of her fellow vampires and if some think her a little out of control, then so be it. But after three former employees filed a complaint about her temper, Vanda is sentenced to an anger management class. Worse, Phil Jones agreed to be her sponsor. Phil, the mortal who is forbidden to her. If Vanda knew who or what Phil really is, she'd reconsider her attraction to him for his true nature is wilder than anything she'd ever imagined. He has tackled the beast within and now is the perfect person to help Vanda with her rage if only he can keep his cool when she makes him so undeniably hot. But with rogue vamps on the loose, will they ever have their forbidden nights?

Race in the Vampire Narrative, 2015-01-01 Race in the Vampire Narrative unpacks the vampire through a collection of classroom-ready original essays that explicitly connect this archetypal outsider to studies in race, ethnicity, and identity. Through essays about the first recorded vampire craze television shows True Blood and Being Human, movies like Blade, Trinity and Underworld, to the presentation of vampires of colour in romance novels, graphic novels, on stage and beyond, this text will open doorways to discussions about Otherness in any setting, serving as an alternative way to explore marginality through a framework that welcomes all students into the conversation. Vampires began as terrors, nightmares, the most horrifying of creatures; now they are sparkly antiheroes, more likely to kill your dog than drink you to death, commodified, absorbed, and defanged. Race in the Vampire Narrative demonstrates that the vampire serves as a core metaphor for the constructions of race and the ways in

which we identify manufacture and commodify marginalized groups By drawing together disparate discussions of non white vampires in popular culture the collection illustrates the ways in which vampires can be used to explicitly help students understand ethnicity in the modern world making this the perfect companion text to any course from First Year Studies Sociology History Cultural Studies Women s Studies Criminal Justice and so much more *The Undead Next Door* Kerrelyn Sparks,2009-10-13 Three signs that something is very different with your new man 1 He sleeps all day which would be annoying except he s so attentive at night 2 He s attacked by sword wielding assailants yet insists he can handle it on his own 3 He never seems to age Heather Westfield has always lived a quiet life but that all changes when she helps a very handsome very mysterious stranger There s something not quite right about Jean Luc but still she s never been with a man so charming so attractive so wonderful Now if only a murderous villain wasn t after them they might get their happily ever after *The Publishers Weekly* ,2010 **Help!
