**THE TRAINING OF THE TWELVE APOSTLES** Edward D. Andrews, 2024-08-11 In *The Training of the Twelve Apostles* Edward D Andrews presents a profound exploration of the essential lessons Jesus imparted to His chosen twelve shaping them into the pillars of the early Christian Church This book delves deeply into the transformative journey of these apostles from their initial calling to their ultimate role in spreading the Gospel Through rigorous biblical analysis and a conservative evangelical lens Andrews illustrates how these foundational teachings are not just historical insights but timeless principles vital for every Christian s spiritual growth and discipleship today This work is a must read for believers seeking to

understand the core of Christ s teachings and their application in the modern world **The Training of the Twelve**

Alexander Balmain Bruce, 1898 *The Training of the Twelve* Alexander B. Bruce, 2010-01-01 With many ministers and religious organizations already using modern techniques found in management books why not go straight to the source A B Bruce s 1877 work *The Training of the Twelve* shows the methods Jesus used to lead his disciples and teach them to spread His Word Though written more than a century ago and based on Gospels two thousand years old the ideas in this volume apply as surely today as they did in 1877 and church leaders or those aspiring to be church leaders will find this an invaluable resource Learn how Jesus chose and trained his disciples how and what he taught them about evangelism and prayer the nature of true holiness humility and self sacrifice and much more *Training of the Twelve* Alexander Balmain Bruce, 1971 *The Training of the Twelve* Alexander Balmain Bruce, 1930\* A B Bruce s work *The Training of the Twelve* shows the methods Jesus used to lead his disciples and teach them to spread His Word Learn how Jesus chose and trained his disciples how and what he taught them about evangelism and prayer and the nature of true holiness *The Training of the Twelve* A. B. Bruce, 2012-07-02 *The Training of the Twelve* by A B Bruce provides a classic study of Jesus teaching and training of his disciples Using a loose harmony of the Gospels approach Bruce pulls from all four gospel narratives to show how Jesus disciplined His disciples The book s greatest strength is that it is not as a how to book on discipleship or a 12 step program for leadership development Instead Bruce exegetes the passages showing what Jesus was doing with his disciples and leaves contemporary application to the reader Bruce s book which was first published in 1871 is a valuable study for any Christian who serves in any form of leadership capacity or who seeks to be a disciple of Jesus Christ Its 31 chapters provide an absorbing commentary on selected passages of the four Gospels following Jesus ministry and teaching among his disciples in chronological order Although the writing style may take a bit of getting used to for modern readers the result is well worth the effort The table of Scripture references discussed in the book also makes it a useful reference work after it has been read from cover to cover Theologically sound and biblically true this book comes highly recommended to anyone desiring to obey Jesus s command to make disciples *The Training Of The Twelve Or Passages Out Of The Gospels Exhibiting The Twelve Disciples Of Jesus Under Discipline For The Apostleship (1884)* Alexander Balmain Bruce, 2008-06-01 This scarce antiquarian

book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

**The Training of the Twelve** A B Bruce,2020-06-23 200 000 copies in print For over one hundred years The Training of the Twelve has been highly regarded and widely received A B Bruce s work continues to speak powerfully and effectively to the contemporary Christian generation The methods that Jesus used to prepare his disciples are an inspiring model for training and equipping leaders and lay people for service Dr Bruce emphasizes that church is not a place where people go but something that people are and understanding and utilizing one s gifts and talents enrich both the body and the believer This classic continues to be must reading for every Christian Bibliotheca Sacra One of the finest biblical approaches and the best teaching I know of in the method employed by the Lord Jesus Christ Ted Engstrom The preeminent work on the association of Christ with His disciples Wilbur M Smith Bruce marked my thoughts greatly in the whole area of discipleship Howard Hendricks

*The Training of the Twelve* Alexander Balmain Bruce,1971 The lessons and patterns in ageless management principles employed by our Lord with His disciples are an inspiring model for those who seek greater depth and stability in the Christian church today Featured in this classic work is Christ the Master Potter molding and fashioning His disciples into useful vessels The Training of the Twelve is rich in thoughts not only for preacher and teacher but it is also invaluable for every Christian who is interested in being a leader or in preparing others to lead Back cover

THE TRAINING OF THE TWELVE APOSTLES [Annotated] A. B. Bruce,2022-05-26 Jesus Christ trained twelve ordinary men who were barely able to read and write who had typical jobs like fishermen who were very arrogant and transformed them into his most extraordinary most spiritual mature servants of all time A B Bruce herein gives us how Jesus accomplished this so that we can apply the same insights into our lives and achieve the same success for ourselves and help others to do the same If we are seeking greater spiritual depth and stability in our lives today this book is for us for it will mold and fashion us into a vessel that Jesus can use Follow Bruce through the Gospels as he explores the twelve men Christ selected as his disciples which will help us uncover how we can transform our human imperfections into serviceable instruments to help others

*The Training of the Twelve, Or, Passages Out of the Gospels; Exhibiting the Twelve Disciples of Jesus Under Discipline for the Apostleship* Alexander Balmain Bruce,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt CHAPTER VIII FIRST ATTEMPTS AT EVANGELISM Section I The Mission Matt x Mark vi 7 13 30 32 Luke ix I II The twelve are now to come before us as active agents in advancing the kingdom of God Having been for some time in Christ s company witnessing His miraculous works hearing His doctrine concerning the kingdom and learning how to pray and how to live they were at length sent forth to evangelize the towns and villages of their native province and to heal

the sick in their Master's name and by His power. This mission of the disciples as evangelists or miniature apostles was partly without doubt an educational experiment for their own benefit but its direct design was to meet the spiritual necessities of the people whose neglected condition lay heavy on Christ's heart. The compassionate Son of man in the course of His wanderings had observed how the masses of the population were like a shepherdless flock of sheep scattered and torn, and it was His desire that all should know that a good Shepherd had come to care for the lost sheep of the house of Israel. The multitudes were ready enough to welcome the good news; the difficulty was to meet the pressing demand of the hour. The harvest, the grain ready for reaping, was plenteous but the laborers were few. In connection with this mission four things call for special notice: The sphere assigned for the work, the nature of the work, the instructions for carrying it on, the results of the mission and the return of the missionaries. These points we shall consider in their order except that for convenience we shall reserve Christ's instructions to His disciples for the last place and give them a section to themselves.

*The Training of the Twelve: How Jesus Christ Found and Taught the 12 Apostles; A Book of New Testament Biography* A. B. Bruce, 2018-08-19

The Training of the Twelve tells us in detail how Jesus chose and trained the twelve apostles, imbuing each with the knowledge and instruction that would become the founding wisdom of Christianity. We find in this book a detailed and intensive Biblical biography with chapters dedicated to each of the twelve. The methods which Jesus Christ uses in selecting his disciples is examined as we witness the various episodes in his existence. Bruce's narrative is chronological and it is useful for the reader to have a Bible to hand to better understand and comprehend the lessons present in the text. A. B. Bruce also includes soundly reasoned passages on the identity of three unnamed apostles. Alexander Balmain Bruce worked for decades in the Free Church of Scotland preaching and studying Bible lore. His commentaries were popular during his lifetime with translations made to other languages; notably he was among the few Scottish Biblical theologians to gain the approval and respect of German scholars.

**The Training of the Twelve; Or Passages Out of the Gospels** Alexander Balmain Bruce, 2017-12-02

Excerpt from The Training of the Twelve Or Passages Out of the Gospels Exhibiting the Twelve Disciples of Jesus Under Discipline for the Apostleship. Besides the index of passages discussed which appeared in the first edition, this edition contains a carefully prepared table of contents at the end which it is hoped will add to the utility of the work. To make the bearing of the contents on the training of the disciples more apparent, I have in several instances changed the titles of chapters or supplied alternative titles. With these explanations I send forth this new edition with grateful feelings for the kind reception which the work has already received and in the hope that by the divine blessing it may continue to be of use as an attempt to illustrate an interesting and important theme.
