The Travels Of John Heckewelder In Frontier America:

The Travels of John Heckewelder in Frontier America Paul A. Wallace, 2010-11-23 Paul A Wallace gathers the diaries and journals of John Heckewelder to prepare this engrossing account of a man who traveled extensively in the Western frontier in the service of the Moravian Church and the United States government and recorded a great deal of early American history along the way Heckewelder also lived among the Indians for nearly sixty years learning their languages sharing their activities and wrote vividly of his life with them Between 1762 and 1813 he crossed the Allegheny Mountains thirty times and made numerous trips down the Ohio River as far south as Kentucky and along the Great Lakes to Detroit Heckewelder tells of the first great migration of whites into the West and also wrote of the early settlements in many important cities including Detroit Louisville Cincinnati Pittsburgh Harrisburg Schenectady and Albany

The Travels of John Heckewelder in Frontier America Paul A. Wallace, 1985 A collection of the travel writings of John Heckewelder who recorded much of the history of the western frontier in the upper Ohio Valley and the eastern Great Lakes

The Creation of America Francis Jennings, 2000-07-31 This alternative history of the American Revolution first published in 2000 shows the colonists as empire building conquerors rather than democratic revolutionaries

Chaplains of the Revolutionary War Jack Darrell Crowder, 2017-09-20 There is a time to preach and a time to fight And now is the time to fight With those words the Rev John Muhlenberg stepped from his pulpit removed his clerical robe revealing the uniform of a Colonial officer and marched off to war Many of the ministers who became chaplains in the Continental Army during the Revolutionary War carried muskets while ministering to the spiritual needs of the troops Their eyewitness accounts describe the battles of Lexington and Concord life on a prison ship the burning of New York City the Battle of Rhode Island the execution of Major Andre and many other events

The Western Delaware Indian Nation, 1730-1795 Richard S. Grimes, 2017-10-16 During the early eighteenth century three phratries or tribes Turtle Turkey and Wolf of Delaware Indians left their traditional homeland in the Delaware River watershed and moved west to the Allegheny Valley of western Pennsylvania and eventually across the Ohio River into the Muskingum River valley As newcomers to the colonial American borderlands these bands of Delawares detached themselves from their past in the east developed a sense of common cause and created for themselves a new regional identity in western Pennsylvania

The Western Delaware Indian Nation 1730 1795 Warriors and Diplomats is a case study of the western Delaware Indian experience offering critical insight into the dynamics of Native American migrations to new environments and the process of reconstructing social and political systems to adjust to new circumstances The Ohio backcountry brought to center stage the masculine activities of hunting trade war making diplomacy and was instrumental in the transformation of Delaware society and with that change the advance of a western Delaware nation This nation however was forged in a time of insecurity as it faced the turmoil of imperial conflict during the Seven Years War and the backcountry racial violence brought about by the American Revolution The stress of factionalism in the council house among Delaware

leaders such as Tamaqua White Eyes Killbuck and Captain Pipe constantly undermined the stability of a lasting political western Delaware nation This narrative of western Delaware nationhood is a story of the fight for independence and regional unity and the futile effort to create and maintain an enduring nation In the end the western Delaware nation became fragmented and forced as in the past to journey west in search of a new beginning The Western Delaware Indian Nation 1730 1795 Warriors and Diplomats is an account of an Indian people and their dramatic and arduous struggle for autonomy identity political union and a permanent homeland
