# THE TRUE STORY OF THE 3 LITTLE PIGS!

BY A. WOLF

For centuries, the story of the three little pigs has been told in many different ways. Some say it was a real event, while others say it was just a fairy tale. But now, with the help of modern technology, we can tell the true story of the three little pigs.

It all began on a farm in England, where a mother pig had three little pigs. They were very happy and lived together in a small house made of straw. One day, the mother pig told them that a big, bad wolf was nearby and that they should be careful.

The first little pig was very greedy and didn't listen to his mother. He went out to look for food and found a big pile of apples. He ate them all up and then went back to his house.

The second little pig was very lazy and didn't want to work. He went out to look for food and found a big pile of carrots. He ate them all up and then went back to his house.

The third little pig was very smart and listened to his mother. He went out to look for food and found a big pile of turnips. He ate them all up and then went back to his house.

One day, the big, bad wolf came to the first little pig's house. He knocked on the door and said, "Little pig, little pig, let me come in." But the first little pig was greedy and didn't listen to him. He said, "Not by the hair of my chinny-chin!"

The wolf was angry and he blew the house down with his big, bad breath. The first little pig was scared and he ran away.
