The Devils Making A Mystery:

The Secret History of the Jersey Devil Brian Regal, Frank J. Esposito, 2018-04-02 A fascinating and scholarly examination of the origins of the Jersey Devil a mythical beast born in the colonial era and which lives on to this day Written in a style suitable for general readers Good regional trade and course adoption potential Really interesting Heavily researched and written in a lively narrative The Secret History explodes the many myths surrounding the Jersey Devil Provocative and entertaining and unlike any book written before on the subject it finds the origins of New Jersey's favorite monster not in the realm of the occult but in the bare knuckled political and religious upheavals and fights of colonial America The real story of the Jersey Devil's birth is far more interesting complex and important than anyone thinks It is a product not of witchcraft but innuendo scandal rumor mongering and media hype While a tale of early America it could have been taken from the tabloids and internet gossip of today Hiding in Plain Sight, 2nd Edition: Unmasking the Secret

Combinations of the Last Days Ken Bowers, 2023-02-02 The world is full of evil men conspiring for total control Composed of religious financial and political committees this secret combination coordinates with other groups to accomplish its ultimate plan a one world government called the New World Order and a one world religion led by the Anti Christ But if this is true why do so few people know about it Why isn't it broadcast by the media for all the world to see One reason is that the media obscures the actions of this great conspiracy But the greatest reason is that the conspiracy is taking place right before our eyes staring at us so hard in the face that we can't see it With new evidence from various experts on the subject this revised edition of Hiding in Plain Sight examines the combinations that seek to destroy us and exposes the reasoning they use to deceive us This is a must read for any Latter day Saint who wants to outsmart the enemy and win the war against Satan
