Africa and especially Sub Saharan Africa has during the past decade witnessed one of the fastest growing markets in mobile communication. This growth is recognized to have played a pivotal role in Africa's socio economic development. It has had a huge impact on residential living patterns, business networks and models, and on government services and income sources. The mobile industry has contributed more to economic growth than in any other comparable region globally, introducing innovative, broadly used applications. Technical topics discussed in the book include Mobile Development in Sub Saharan Africa, Telecom Liberalization in Africa, Role of Mobile in Socio economic Development, Mobile Applications in specific sectors, Security in African Mobile, Role of Prepaid in Africa.

Mastering JavaScript Single Page Application Development Philip Klauzinski, John Moore, 2016-10-28. An in depth guide to exploring the design, architecture and techniques behind building sophisticated, scalable and maintainable single page applications in JavaScript. About This Book: Build large scale, feature complete SPAs by leveraging widely used tools and techniques. Gain a solid understanding of architecture and SPA design to build applications using the library or framework of your choice. Explore the various facets of SPA development to build web apps that are fast, scalable and easy to test. Who This Book Is For: This book is ideal for JavaScript developers who want to build complex single page applications in JavaScript. Some basic understanding of SPA concepts will be helpful but not essential. What You Will Learn: Organize your development environment using the command line with NPM, Bower and Grunt. Choose an accurate design pattern for your app. Understand modular JavaScript programming and Node.js. Interact with a REST API using JavaScript and AJAX with practical examples. Build a single page application using the MEAN stack. Connect your app across popular social media platforms such as Facebook, Twitter and LinkedIn. Test your app both on the server side and in views. Prepare your app for the real world and deploy it to Heroku. In Detail: Single page web applications or SPAs as they are commonly referred to, are quickly becoming the de facto standard for web app development. The fact that a major part of the app runs inside a single web page makes it very interesting and appealing. Also, the accelerated growth of browser capabilities is pushing us closer to the day when all apps will run entirely in the browser. This book will take your JavaScript development skills to the next level by teaching you to create a single page application within a full stack JavaScript environment. Using only JavaScript you can go from being a front end developer to a full stack application developer with relative ease. You will learn to cross the boundary from front end development to server side development through the use of JavaScript on both ends. Use your existing knowledge of JavaScript by learning to manage a JSON document data store with MongoDB, writing a JavaScript powered REST API with Node.js and Express, and designing a front end powered by AngularJS.

This book will teach you to leverage the MEAN stack to do everything from document database design routing REST web API requests data binding within views and adding authentication and security to building a full fledged complex single page web application In addition to building a full stack JavaScript app you will learn to test it with JavaScript powered testing tools such as Mocha Karma and Jasmine Finally you will learn about deployment and scaling so that you can launch your own apps into the real world Style and approach Following a structured approach this book helps readers gain expertise in SPA development Its thorough coverage of SPA architecture and design along with practical use cases provides readers with a clear path to building applications with the library of their choice For readers who are afraid to take the plunge straightaway the book also offers step by step guidance on developing a complex web app **IT Expert Magazine V1E2** , Library + Information Update ,2008 The Missing Wife Sam Carrington,2019-06-27 You think you know those closest to you You are wrong A sleep deprived new mother approaching her fortieth birthday the very last thing Louisa wants to do is celebrate
