USA Football Playbook: the Spread Offense. USA Football, 2011-01-27. The Spread Formation is becoming more popular at the youth level, spreading the football around to multiple players. Learn how to implement this formation with clear explanations and diagrams. Diagrams for spread option, run screens, high percentage passing counters, and the inside/outside run game. Offensive line run blocking and pass protection scheme. Diagrams of all formations used. Play sheet for making diagrams. Full glossary of terms. **The United States Football League, 1982-1986**. Paul Reeths, 2017-03-21. One of the most ambitious and short-lived endeavors in professional sports history, the United States Football League was founded in 1982. Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans, the USFL gained national attention with broadcast and cable television contracts, controversial player signings, ownership battles, and an unsuccessful billion-dollar lawsuit against the NFL. The USFL folded after four years, yet represented the last major challenge to America's big four sports leagues: the NFL, the National Basketball Association, the National Hockey League, and Major League Baseball. Based upon extensive research and interviews with owners, coaches, players, and administrators, this book chronicles the league's formation, its three seasons of play, and its long-term effects on pro sports.
