*Loving A Narcissist* Steven K Craig,2014-01-14 Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable The Great American Psychopathic Love Story exists in a world where nothing is as real as perceived Beneath the surface of what seems to be a fairy tale romance is the outline for what may be the perfect murder and if you are naive enough to think it can't happen to you you're wrong dead wrong *Loving A Narcissist* is the diary of a man being victimized by a lethal narcissist from beginning to end as it happens Be there as he learns about narcissism and as he searches for a way to completely heal from the abuse Many readers victims praise this book for helping them heal as well Steven thought he was writing about the phenomenal love he and Ashley had for each other He didn't know that he was actually documenting the manipulation and torment experienced by the victim of a highly skilled emotional vampire An endearing love story that is insanity in the raw and just when you think it is all over it begins again before leading to a shocking ending that will not soon be forgotten Read this before purchasing this book Many victims of narcissistic abuse buy books on the subject just to make them feel better by reading about what evil monsters the narcissists are Granted they have suffered tremendously but this type of victim wallows in misery and are not able to heal or move beyond the abuse If you are looking for a book that just repeats what hundreds of others already outline then this book is not for you This book is a memoir from the perspective of the victim as the mental and emotional abuse is taking place It portrays the confusion that comes from abrupt abandonment and ostracization by a loved one Through the victim's eyes you will experience what it is to be Gaslighted by a narcissist which is idealization discard and devalue When a narcissist is victimizing a person the abused becomes someone they are not and behave in ways out of the norm Where some may view

the behavior as childish or immature it is actually a person fighting to hang onto his or her sanity This is Loving a Narcissist Dynamic person stylized writing Brilliant A death to birth with a delivery that is painful as bloody hell Becky Joyce Reed Author of Life in the Aftermath of a Narcissist Thank you Steven from the bottom of my heart I was completely destroyed by my relationship with a Narcissist Your book was the turning point for me and saved my life Debbie Perez Congratulations on writing a wonderful and powerful book Yours is a very important story to tell because it's from a man's viewpoint not a perspective we hear from enough Leslie Morgan Steiner Author of the New York Times best selling memoir Crazy Love This book saved my life Debby Perez Everyone should read this These psychopaths are multiplying like crazy and we need to know how to identify them for our own sakes and for the sake of society This is one story out of too many that can teach us what to look out for Linda Freeman Dear Steven I received your book on a Friday and could not put it down yet at times the pain I felt for you was unbearable I could so relate though to the pain Steven I just finished reading your book Loving a Narcissist and I wanted to tell you how moved I was by your honesty and revealing your vulnerability Reading it I cried for you sometimes Thank you for telling us your story It doesn't just happen to women Be well and blessed I think you are now Liz Davies
