TikTok Cultures in the United States Trevor Boffone,2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context examining topics such as gender and sexuality feminism race and ethnicity and wellness. Shaping TikTok as an interdisciplinary field in and of itself this insightful and timely volume will be of great interest to students and scholars of new and digital media social media popular culture communication studies sociology of media dance gender studies and performance studies

The Routledge Companion to Children's Literature and Culture Claudia Nelson,Elisabeth Wesseling,Andrea Mei-Ying Wu,2023-11-30 Focusing on significant and cutting edge preoccupations within children's literature scholarship The Routledge Companion to Children's Literature and Culture presents a comprehensive overview of print digital and electronic texts for children aged zero to thirteen as forms of world literature participating in a panoply of identity formations. Offering five distinct sections this volume familiarizes students and beginning scholars with key concepts and methodological resources guiding contemporary inquiry into children's literature. Describes the major media formats and genres for texts expressly addressing children. Considers the production distribution and valuing of children's books from an assortment of historical and contemporary perspectives highlighting context as a driver of content. Maps how children's texts have historically presumed and prescribed certain identities on the part of their readers sometimes addressing readers who share some part of the author's identity sometimes seeking to educate the reader about a presumed other and in recent decades increasingly foregrounding identities once lacking visibility and voice. Explores the historical evolutions and trans regional contacts and inter connections in the long process of the formation of global children's literature highlighting issues such as retranslation transnationalism transculturality and new digital formats for considering cultural crossings and renegotiations in the production of children's literature. Methodically presented and contextualized this volume is an engaging introduction to this expanding and multifaceted field

**Systems from Hell** David A. Rochefort,2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change

**Producing Children** Peter C. Kunze,Victoria Ford Smith,2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and

collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves

**Hooked** Emily McIntire,2022-09-20 Once upon a time there was a little boy His belly full of laughter his life full of joy Until one day something changed stripped his innocence away The hole inside making space for the devil to come and play His dreams gone forever he grew up way too fast An endless night of crocodiles and watches made of glass He grew into a villain the taste of vengeance on his tongue Craving to make his enemies pay for the misdeeds they had done Instead he found a Darling girl and refused to let her go For what better way to make the man pay than to steal his little shadow
