lived to the fullest and my crew thugged it out for years I know that most of the trouble I got into was because of the choices I made and even then I knew that it was the wrong path to take but I just didnt care While these adventures where happening I knew my life would be change for the better once I finished school and landed a good set job Though it seemed like it took forever I finally did finish school and became full time at the position Id been working at for a few years That is when my life started I enjoyed being young and dumb as they say but now its time to grow up and become a man Ive gone through plenty of friends over the years some lost due to changes schools or choosing different cliques in school others lost on bad terms sometimes I knew why and others I didnt understand I lost a couple very close best friends and also gained new ones Life is a struggle I struggled through it but was able to surpass I got through the tough times enjoyed the memorable times and here are my stories to tell This book will deliver my resume of an uncontrolled substance that almost ruined my life The rage and power I absorbed through fisting a persons face brought happiness to me Every true street fighter will tell you theyve gotten their ass kicked at least once in their life and probably didnt like it I on the other hand loved it The more I got hit the more aggressive I became trying to destroy anything in my path It became so much of an addiction that I looked for it all the time and even threw down with my own brother I loved to fight and was pretty good at it but it almost got me killed a few times My stories here are all true but some names may have been altered for confidentiality purposes In no way am I trying to disrespect anyone past or present because its a story about my life but a lot of others are involved as well Overall I have been in over fifty legit street fights mostly in a five year range and these are the main tales Other than fighting and the mischief Im actually a really nice person and a great athlete My whole life has been based around sports and my entire family is athletes including the girls Though I pursued a sports career I still found myself living the Hip Hop lifestyle which made me the person I am today I speak mostly of the bad experiences rather than the good because everyone has their good moments and the awful times are the juiciest I give a lot of credit to my parents for putting up with me all these years and I know what theyve done for me and I really do appreciate it They are the best parents any kid can ever ask for and to put them through what I did was a horrible thing to do so Im truly sorry Like the saying goes what doesnt kill you only makes you stronger I guess Im

Introducing *Salted with Salt* Solomon Cross unsure of what path to follow in life is embarking on a road trip to visit two of his college friends He is the detached observer Yet as his journey unfolds bits and pieces of himself are slowly revealed as he becomes both the story and the storyteller You should tell it like it is Anything else is false kindness which leaves little room for improvement That was my father's opinion He had an unshakable faith in God but he thought that Man was inherently evil As for me I knew all good things come from above and I was standing still to receive This hidden truth remained immutable in the shifting shadows It gave me a chance to start looking around Not with my mind's eye but with something else in illusive apexes of clarity And from *The Altar of Silence* a story of lost youth and lessons that have yet to be learned

John Jim and Ray are three friends who have known each other since rooming together in college Jim is the surfer the perennial teenager who goes from job to job and woman to woman John is the solid married man with a wife kids and a mortgage then there's Ray the one with the terrible past that threatens to ruin the man he could become It's bad when you become rational about your vices And for every intense moment in your life there's payback with interest I sat in a cemetery once after taking some acid All I sensed was the silence and the dark Because there were no spirits there Just my own alone I realized how silly speech was because it never bridges misunderstandings and how senseless it was in the unsaid
