Academic Authors Association TAA McGuffey Longevity Award Winner Selected for 2025 Doody's Core Titles with Essential Purchase designation in Occupational Therapy Gain the knowledge and skills you need to treat clients/patients with physical disabilities Pedretti's Occupational Therapy Practice Skills for Physical Dysfunction 9th Edition uses a case based approach threaded through each chapter to provide a solid foundation in evaluation/intervention and clinical reasoning The text continues to support the entry level occupational therapist and the experienced occupational therapist focused on expanding skills and knowledge With the OT practice framework as a guide you will focus on the core concepts and central goals of

client care. And by studying threaded case studies you will learn to apply theory to clinical practice. Written by a team of expert OT educators and professionals led by Heidi McHugh Pendleton and Winifred Schultz Krohn this edition includes an eBook free with each new print purchase featuring a fully searchable version of the entire text. UNIQUE Threaded case studies begin and are woven through each chapter helping you develop clinical reasoning and decision making skills and to apply concepts to real life clinical practice. UNIQUE Ethical Considerations boxes examine the obligation to collaborate with clients on their care using evidence to select treatment options. UNIQUE OT Practice Notes convey important tips and insights into professional practice. Illustrated evidence based content provides a foundation for practice especially relating to evaluation and intervention. Information on prevention rather than simply intervention or treatment shows how OTs can take a proactive role in client care. Focus on health promotion and wellness addresses the role of the occupational therapist in what the AOTA has identified as a key practice area. Content on cultural and ethnic diversity is included in every chapter reflecting occupational therapy's commitment to this important issue. Key terms chapter outlines and chapter objectives highlight the information you can expect to learn from each chapter.
