Classroom Ann Heide,Dale Henderson,2001 This exciting new book shows you how to harness the amazing power of  
 technology to enable and enhance active learning Whether you are a technophobe or experienced tech user you ll discover  
 firsthand how information and communication technology ICT can help you empower learners improve learning and prepare  
 students for the future Whenever we as teachers undertake change in curriculum delivery or teaching methods it is not a  
 decision we make lightly Heide and Henderson ensure that your transition is as smooth as possible and that every student  
 will benefit Their book addresses the many practical issues that accompany the use of ICT and provides answers to the most  
 frequently asked questions including How do I get started What equipment do I need How can I arrange my classroom to  
 facilitate student use How can ICT and educational technologies make my classroom more student centered How do I set up  
 and control workstations How can I individualize my program What about assessment and evaluation What is my role in this  
 environment Because the authors believe that effective classroom practices derive from carefully researched theories they  
 provide practical strategies based on both research and experience These suggestions are meant to be motivators and
