Spirituality and Business Sharda S. Nandram, Margot Esther Borden, 2009-11-11 We, Sharda and Margot, feel very honored to be able to write and edit such a book. Our spiritual journey has led to the passion of bringing together and sharing the thoughts we ourselves have come across in our lives by meeting gurus, swamis, like-minded seekers, managers, teachers, entrepreneurs, academics, students and by reading books and practicing spiritual techniques. We also have gained much spiritual inspiration from the teachings of Sri Aurobindo and The Mother to whom we are grateful. The thoughts presented in this book already exist in the East and West. Integrating them into the way we do business can help us to regain trust and respect in business even in the current economic crisis. We aim to convince others of our deep belief that spiritual practices and a spiritual orientation help make life more enjoyable and makes us better human beings through helping us to live in line with our karma in every context of life in our roles as employees, entrepreneurs, managers, leaders, mothers or fathers etc.
