Seven Recipes for Success in Business Frank D. Briggs,2010-03-12 Improving profits and improving your commissions can be easier than you think Success in business rests with customer service In Seven Recipes for Success in Business author Frank D Briggs provides seven steps to help build your success and your company's success Filled with personal examples and stories from almost forty years in business

Briggs demonstrates the importance of the customer and of providing quality customer service with seven simple concepts. He shows that because the customer has a need you have a job to do. Has a choice you must be the better choice. Has sensibilities you must be considerate. Has urgency you must be quick. Is unique you must be flexible. Has high expectations you must excel. Has influence you have the hope of more customers. Seven Recipes for Success in Business details the importance of thinking of the customer first each and every time and treating the customer the way you would like to be treated. By following these simple concepts success will flourish all because of the customer. *Waiting For Service* Amas Tenumah, 2021. You hate waiting in line or on the phone for customer service. There have been plenty of books about customer service that all seem to offer secrets to improve customer service. This is not that book. I instead want to focus on Why customer Service is so broken and give you the secrets to get around it. Customer service is bad by design. Your bad customer service is not random it is intentional. Customer Service is universally terrible this is not an opinion. You do not have to believe me I am saying it is raining outside and you can simply look out the window. I spent two decades helping dozens of your favorite brands with customer service. You will laugh get mad all over again at some of the conversations I have had with executives around customer service. I name names expose Customer Service nightmares from Travel to Cable Walmart fast food and so much. I also provide you with how to get around bad service and offer radical thinking to reset customer service. Amas Tenumah. *Are Your Customers Being Served?* Pauline Rowson, 2007. This volume explains how to boost profits by delivering exceptional customer service. It shows how to satisfy customer needs how to handle complaints and difficult customers how to develop an effective customer services policy and how to build loyalty and rapport. **Invisible Profits** Robert Moment, 2007-09.
