Zaires,2013-02-03 Demo http://youtu.be/YIUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person's mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer's impression is spot on The book can

be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding [The Pride of the Double Deuce Series](#) Kathi S. Written in Love is the first installment in the Unnatural Brethren series packed with immortals, feisty witches and morally grey heroes. If you like Vampire Romance, Love Triangles, Enemies to Lovers and Fated Mates, then you'll LOVE Written in Blood. Trigger Warning: Contains some mature situations, self harm, incest, death, blood and is recommended for 18+.

What readers are saying about The Unnatural Brethren: Where do I start? It's gonna be a challenge. I want to gush a fountain of spoilers! This book should be filed away under Guilty Pleasures. Our hero Ivan is a field of wild oats begging to be sown. While his sister Alisa is the calm and the storm. There were so many minor characters with unforgettable personalities I found myself getting attached to every new person that popped up. Except one he knows who he is and take it from me he had it coming. The writing style is solid. The author's style was passionate and fast paced. I sailed through this book partly because of the pace and partly because the drama and intrigue kept me hooked all the way through. I especially appreciated all of the traveling in this book. I enjoyed taking a tour of London, Paris and Venice all from the comfort of my couch. I loved this book. Now if you'll excuse me I have a sequel to buy! Ivan Lockhart is the definition of a romantic anti hero. His heart is the right place, his life is a constant strife to do the right thing yet circumstances have shaped him into something he abhors. There's a sense of cruel fate that haunts him. Even as a child surviving death becomes a curse of sorts and in his need to be loved and accepted he forges unconventional relationships dragging those who hold near and dear into his dark world. And this all happens before the supernatural even shows up in this story. An amazing read from an amazing author. I love how she combines the paranormal with the historical. So perfect and I can't wait for her next read.

Excerpt from Written in Blood: It haunted me from a distance. Swathed in a thick veil of fog with but a few old trees looming above the island appeared desolated and dead. An overwhelming sense of despair crept behind my neck as we reached the shore. Thousands of men, women and children had been condemned to live the last of their days here, infected by the plague. Dragged away from their homes here they suffered their agonizing illness, shunned by society, exiled from everything they knew and held dear. Fans of the Vampire Chronicles and A Discovery of Witches will love The Unnatural Brethren series.
