own version of a murder mystery tv show they can't believe what's happening in their little town. If it wasn't enough that they think Ben's a suspect, now someone has been lurking around her home after dark. Could she be next? Follow Missy and Detective Beckett as they try to figure out who's really the killer.

Book 2: A Pinch of Murder With 50,000 up for grabs in a cupcake competition, Missy Gladstone has to be on her A-game if she plans on expanding her business. But that doesn't prevent her from deciding to use the competition as an excuse to unwind in Las Vegas while she's there. When she arrives, Missy quickly learns that the reason she's been invited to compete has less to do with her culinary skills and more to do with her old childhood frenemy who is now a big-time celebrity baker with TV shows, a line of bakeware, and a chain of cupcake shops across the country. Knowing that her old rival always had a few tricks up her sleeve, it's no surprise when Missy discovers that the invitation came with ulterior motives. A sticky proposal puts them at odds once again; only this time, Missy's business will be on the line. Before Missy knows what's happening, her frenemy is found dead in her hotel room, and all eyes are on her. Alone far from home, Missy will have to reach out to the only ally she has, Detective Beckett, and hope that he could help her out of this confectionery mess before it's too late.

Book 3: Half Baked Murder Missy and Detective Beckett are back in Louisiana, and after all the hoopla in Vegas, Missy has become so popular that she's expanding all the way across town to Darryl The Donut Man Davis's old shop. However, Missy smells something fishy and suspects foul play when one of a fellow shop owner is murdered. Could it be that the same country thugs who tried to strong-arm her into using their suppliers got a little too carried away, and now someone is dead?

Book 4: A Mouthful of Murder Missy is up and running again. Her new store in Dellville is successful, and her old shop in LaChance is being rebuilt. She's delighted when a woman her age from California buys the ice cream shop across the street. After a few slips of the tongue, the odd hours she keeps, Missy catches on that her new friend may be hiding something that may be deadly.

Book 5: Cupcakes and Murder Detective Beckett and Missy didn't bank on becoming murder suspects only a few days after arriving in sunny Cozumel. Pitted against the wild accusations of the locals, the two foreigners must discover the true motive for the crime and track down the real killer before time runs out for them both.
