Management Communication James S. O'Rourke, 2019-04-18 This textbook introduces students to the strategic communication methods that are crucial to master in order to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world and O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This edition includes several classic and new features. The strategic approach is integrated throughout the book, allowing students to understand how a communicated message impacts the business as a whole. Case studies throughout the book provide students with hands-on experience of scenarios they will encounter in the real world. The book includes at least three dozen fresh classroom-tested cases. An ethical thread is woven through the text, demonstrating how ethical decision making can be applied in all aspects of communication. Separate chapters on technology, including social media, intercultural communication, nonverbal communication, and conflict management provide students with the skills to building relationships and influencing stakeholders, key skills for any manager. A companion website includes comprehensive support material to teach this class making **Management Communication** a complete resource for students and instructors.

Management Fundamentals Robert N. Lussier, 2023-02-21 Packed with experiential exercises, self-assessments, and group activities, **Management Fundamentals: Concepts, Applications, and Skill Development**, Tenth Edition, develops essential management skills students can use in their personal and professional lives. Bestselling author Robert N. Lussier uses the most current cases and examples to illustrate management concepts in today's ever-changing business world. This fully updated new edition provides in-depth coverage of key AACSB topics such as diversity, ethics, technology, and globalization. New to this Edition: New Cases, New and expanded coverage of important topics like generational differences, sexual harassment, AI, cybersecurity, entrepreneurial mindset, managing change, and emotional intelligence. Fully updated Trends and Issues in Management sections in each chapter. Hundreds of new examples, statistics, and references so your students are exposed to the latest thinking in management. Key Features: Case studies highlight contemporary challenges and opportunities facing managers at well-known organizations such as IKEA, LG, Alibaba, and Buco's. Trends and Issues section explores timely topics such as the changing nature of work, managing multiple generations, and virtual teams. Self-Assessments help readers gain personal knowledge of management functions in the real world and provide opportunities for readers to learn about their personal management styles and apply chapter concepts. Skill Builder Exercises develop skills readers can use in their personal and professional lives. Ideas on Management chapter opening cases highlight real companies and people and are revisited throughout the chapter to illustrate and reinforce chapter concepts. Case studies ask readers to put themselves in the role of a manager to apply chapter concepts and consider issues facing real organizations.
