

## Box Office Ideas

**David Bennett Carren**

## **Box Office Ideas:**

**Box Office** ,1962    **Empire of Ideas** Justin Hart,2013-02-14 Covering the period from 1936 to 1953 Empire of Ideas reveals how and why image first became a component of foreign policy prompting policymakers to embrace such techniques as propaganda educational exchanges cultural exhibits overseas libraries and domestic public relations Drawing upon exhaustive research in official government records and the private papers of top officials in the Roosevelt and Truman administrations including newly declassified material Justin Hart takes the reader back to the dawn of what Time Life publisher Henry Luce would famously call the American century when U S policymakers first began to think of the nation s image as a foreign policy issue Beginning with the Buenos Aires Conference in 1936 which grew out of FDR s Good Neighbor Policy toward Latin America Hart traces the dramatic growth of public diplomacy in the war years and beyond The book describes how the State Department established the position of Assistant Secretary of State for Public and Cultural Affairs in 1944 with Archibald MacLeish the Pulitzer Prize winning poet and Librarian of Congress the first to fill the post Hart shows that the ideas of MacLeish became central to the evolution of public diplomacy and his influence would be felt long after his tenure in government service ended The book examines a wide variety of propaganda programs including the Voice of America and concludes with the creation of the United States Information Agency in 1953 bringing an end to the first phase of U S public diplomacy Empire of Ideas remains highly relevant today when U S officials have launched full scale propaganda to combat negative perceptions in the Arab world and elsewhere Hart s study illuminates the similar efforts of a previous generation of policymakers explaining why our ability to shape our image is in the end quite limited

**Photoplay** ,1920    *Capturing Big Ideas for Less in Feature Film* David Bennett Carren,2025-03-28 This book is an accessible guide directed towards filmmakers with restricted resources and shortened schedules who want to ensure their creation of riveting fresh and exciting projects Whether a film is produced under a low or high budget this text emphasizes that a small world coupled with a big idea can serve strong themes complex characters and powerful stories Award winning screenwriter David Carren suffuses this book with his own original Narrative Synonym Process teaching readers how to redevelop and expand a single idea or element in a story into multiple directions Each chapter examines case studies of successful films and screenplays that are suitable to the subject Script to Screen entries evaluate specific scenes in well known films in relation to their dramatic intention and budgetary costs The end of each chapter includes a review of its basic points and a bibliography citing the companies that produced the film or the publishers of their scripts and or where to find them along with an exercise to allow the reader to directly enhance their knowledge and education Offering a variety of exercises throughout to allow the reader to directly enhance their knowledge and education this text is an essential resource for film students screenwriters and filmmakers who want to make strong successful films from limited resources
