Texas History Stories Classic Reprint:

Texas History Stories Elbridge Gerry Littlejohn, 1901 Relates the stories of thirteen heroes or events in nineteenth century Texas history including Cabeza de Vaca Sam Houston and the Alamo **Texas History Stories (Classic Reprint)** Elbridge Gerry Littlejohn, 2015-07-08 Excerpt from *Texas History Stories* Cabeza de Vaca the head of a cow what a strange name for a man Many many years ago before Washington was born and before Columbus had discovered America the kings of France and Spain were at war with the Moors a heathen people who lived in Africa With great armies they had crossed the narrow strait of Gibraltar and taken possession of the best parts of Spain A long and cruel war followed But the Spaniards were not strong enough to drive them back Then the French came to the help of the Spaniards The two armies moved against the enemy High mountains lay between them and the enemy's country When they came to the mountains they found all the passes strongly guarded by Moorish soldiers In these narrow and dark passes one man could withstand a thousand It would not do to risk a battle here About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Texas History Stories** E. G. Littlejohn, 2016-08-13 Excerpt from *Texas History Stories* Houston Austin Crockett La Salle When he was thirteen years old he had gone to school but six months in all It was then that his father died After the death of his father his mother sold the old home in Virginia and took her family across the mountains into Tennessee At that time Tennessee was only a great wilderness Indians were everywhere There were dense forests full of wolves bears and other wild animals About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Texas Hero Stories* Katie Daffan, 2009-04 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Scraps of Early Texas History Mary S. A New History of Texas (Classic Reprint) Edward Stiff, 2015-07-08 Excerpt from A New History of Texas The great and increasing emigration to Texas taken in connection with her present position former history and prospective career were the primary causes which induced the author to compile a volume entitled the History of Texas yet in doing so he has embodied other and dissimilar information as well as such as will safely conduct emigrants to favorable localities and in a cheap way acquaint them with things necessary to be known and he has supplied such data as will enable those thinking of a removal to knowingly decide if it is expedient to seek a home in the new Republic or not Desiring at all times to pursue the quiet and retired walks of private life the author of the following work would not have made his travels in Texas the leading subject of a publication had not her vast and luxuriant plains and other more romantic scenery first suggested the idea an idea that has grown in strength every day since the effect of combined causes not the least among which may be mentioned the fact of the entire absence of any work on the subject from which can be extracted such information as comes home to the every day pursuits of men or one that has been written with that independence of thought and strict impartiality which should ever be the aim and end of the Historian who aspires to an enduring and honorable fame when he shall sleep with his Fathers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A History of Texas and Texans, Vol. 3 (Classic Reprint) Frank White Johnson,2017-10-23 Excerpt from A History of Texas and Texans Vol 3 Cohen Last but not least I cannot forbear to voice the thought that Dr Cohen has very good reason to be what he is and that reason is his worthy helpmeet Mrs Cohen In honoring him we must not forget that to his wife also we owe much her good in uence having been of great benefit to our community About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Texas History in Rhyme (Classic Reprint) Lottie H. Hargrove,2017-05-19 Excerpt from Texas History in Rhyme The Muse of History as Mrs Pennybacker prophesied got busy not with a golden pen however but with a six for a nickel lead pencil and this little volume is the result By changing the Texas History as adopted by the State from prose to rhyme the author has endeavored to supply the need of different forms of expression to arouse interest in and fix in the memory the history of our state and country These Rhymes will be desirable as supplementary reading for pupils and if the truth must be told a great help to teachers in preparing for examinations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

New History of Texas for Schools Mrs. Anna J. Hardwicke Pennybacker,2015-07-13 Excerpt from New History of Texas for Schools Also for General Reading and for Teachers Preparing Themselves for Examination As has often been said there is no State in the Union whose history presents such varied and romantic scenes as does that of Texas This alone would recommend it to the general reader and the earnest student But there is in addition to its interest a weighty reason why every school in the State should give Texas History a place in its course study No one who learns well the lessons therein taught can fail to become a better and wiser citizen This little volume attempts to picture the principal events in our history in a style easy and natural yet vivid It was written from

the stand point of a teacher who believes that success in teaching history demands not only a live instructor but also a live text book If the execution has fallen short of the design the author begs the charitable criticisms of her co workers and assures them they may hope for better things in future editions No map is given since any teacher may secure an excellent wall map of Texas free of charge by applying to Central Railroad offices About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Romance and Tragedy of Texas History, Vol. 1 Sam Houston Dixon, 2017-10-22 Excerpt from Romance and Tragedy of Texas History Vol 1 Being a Record of Many Thrilling Events in Texas History Under Spanish Mexican and Anglo Saxon Rule Th1s record of the Romance and Tragedy of Texas History is presented with the view of interesting and instructing the reader Many of the facts presented are unknown to the general public but they possess historic interest of unusual value This volume does not purport to contain every incident of Texas history around which cluster Romance and Tragedy It does however give many of the major events of Texas history which are conspicuous for romantic and tragic interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Complete History of Texas, for Schools, Colleges, and General Use (Classic Reprint) Dudley G. Wooten, 2017-10-19 Excerpt from A Complete History of Texas for Schools Colleges and General Use But with the Opening of the second chapter of our history there appeared a new and potent element in the developing drama of Texan life Ha I the breath of the Celt and the Saxon drifts Evermore to the West I About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Human Tradition in Texas Ty Cashion, Jesus F. De La Teja, 2001-03 The rich and unique history of the Lone Star State is presented in this new

book through the lives of a variety of Texans who put a human face on the state's history. Biographical sketches of fifteen famous and little known men and women of different colors, religions and economic backgrounds offer new insight into the history of the state. Starting in the sixteenth century with Alvar N__ez Cabeza de Vaca, the first European to make contact with Texas Indian tribes and tracing Texas history to the late twentieth century with a final sketch of Gary Gaines, a high school football coach, *The Human Tradition in Texas* brings the state's history to life by showing real people and the events and times in which they lived. Written by leading and rising scholars of Texas history, this book presents the major themes and periods in Texas history, including the settling of Anglo-Americans in the region, bringing an American democracy that supported slavery, the Civil War and Reconstruction, technological developments in the late nineteenth century including railroads and irrigation for crops and livestock, Texas's transformation in the early twentieth century from a world of cotton and cattle to a world of paved streets, electricity and running water, the challenges to modernization faced by the state with the development of the oil industry, the growth in industrialization and the increasing size of Texas's cities, the new age with Texas taking leadership roles in the oil, aviation and entertainment industries and the expanding inclusiveness of Texas society, nowhere more complete than on the sports field, particularly the football field. A collection of accessible and entertaining essays on this vast, vibrant state, *The Human Tradition in Texas* is an excellent resource for courses in Texas history and the history of the American West.

Under Six Flags, the Story of Texas (Classic Reprint) M. E. M. Davis, 2015-07-05. Excerpt from *Under Six Flags, the Story of Texas*. But the history of Texas is far more than a romantic legend. It is a record of bold conceptions and bolder deeds, the story of the discoverer penetrating unknown wildernesses of the pioneer, matching his strength against the savage of the colonist, struggling for his freedom and his rights. It is the chronicle of the birth of a people, the history of the rise and progress of a great State. I have tried in these simple readings so to arrange the salient points of a drama of two centuries as to present a consistent whole. And I shall be happy if I shall succeed in awakening in the reader somewhat of the interest in Texas history which has inspired this work. Southwestern Historical Quarterly, 1987 **A History of Texas, Vol. 4 Of 5** Louis J. Wortham, 2017-11-15 Excerpt from A History of Texas Vol 4 of 5 From Wilderness to Commonwealth Texas and Mexico This reply to say the least did not brighten the outlook for annexation Nor did the trend of public opinion in the United States give any encouragement to the belief that this outlook would be changed in the near future Public expressions of various kinds in the Northern states were decidedly unfriendly to the proposal It was denounced as a scheme of Southern slaveholders to increase their power in national affairs and although Hunt in his dispatches to Texas professed to believe there was hope the president would favor annexation the truth was that this increasing sentiment in the North presented such dangerous political possibilities that Van Buren was coming decidedly to the conviction that the Texas question was one to be handled with gloves About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A History of Texas, Vol. 1 of 5 Louis J. Wortham, 2018-09-22 Excerpt from A History of Texas Vol 1 of 5 From Wilderness to Commonwealth I have tried in this work to tell the story of the conversion of Texas from a wilderness into a common wealth in such a manner as to insure that it would be read with enjoyment and at the same time impart to the reader a comprehensive knowledge of the history of my native state About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [History of Texas, From 1685 to 1892, Vol. 2 of 2 \(Classic Reprint\)](#) John Henry Brown, 2017-12-08 Excerpt from History of Texas From 1685 to 1892 Vol 2 of 2 Santa Anna's March to the East He crosses the Colorado and Brazos Gen Houston also crosses the Brazos Events preceding San Jacinto and the Results With the foregoing explanation we now proceed with the narration of subsequent events About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com
