## **The Medieval Woman Calendar 2001:**

**Women in Medieval Europe 1200-1500** Jennifer Ward, 2016-04-14 *Women in Medieval Europe* explores the key areas of female experience in the later medieval period from peasant women to Queens It considers the women of the later Middle Ages in the context of their social relationships during a time of changing opportunities and activities so that by 1500 the world of work was becoming increasingly restricted to women The chapters are arranged thematically to show the varied roles and lives of women in and out of the home covering topics such as marriage religion family and work For the second edition a new chapter draws together recent work on Jewish and Muslim women as well as those from other ethnic groups showing the wide ranging experiences of women from different backgrounds Particular attention is paid to women at work in the towns and specifically urban topics such as trade crafts healthcare and prostitution The latest research on women gender and masculinity has also been incorporated along with updated further reading recommendations This fully revised new edition is a comprehensive yet accessible introduction to the topic perfect for all those studying women in Europe in the later Middle Ages

**Women in Medieval Europe** Jennifer Ward, 2014-06-11 *Women in Medieval Europe* were expected to be submissive but such a broad picture ignores great areas of female experience Between the thirteenth and fifteenth centuries women are found in the workplace as well as the home and some women were numbered among the key rulers saints and mystics of the medieval world Opportunities and activities changed over time and by 1500 the world of work was becoming increasingly restricted for women Women of all social groups were primarily engaged with their families looking after husband and children and running the household Patterns of work varied geographically In the northern towns women engaged in a wide range of crafts with a small number becoming entrepreneurs Many of the poor made a living as servants and labourers Prostitution flourished in many medieval towns Some women turned to the religious life and here opportunities burgeoned in the thirteenth century The Middle Ages are not remote from the twenty first century the lives of medieval women evoke a response today The medieval mother faced similar problems to her modern counterpart The sheer variety of women s experience in the later Middle Ages is fully brought out in this book

**Women in the Middle Ages: A-J** Katharina M. Wilson, Nadia Margolis, 2004 The encyclopedia covers the myriad experiences and contributions of women in the medieval world

*New Books on Women and Feminism*, 2002 **The Art of Cloth in Mughal India** Sylvia Houghteling, 2022-03-15 A richly illustrated history of textiles in the Mughal Empire In the sixteenth and seventeenth centuries a vast array of textiles circulated throughout the Mughal Empire Made from rare fibers and crafted using virtuosic techniques these exquisite objects animated early modern experience from the intimate sensory pleasure of garments to the monumentality of imperial tents The Art of Cloth in Mughal India tells the story of textiles crafted and collected across South Asia and beyond illuminating how cloth participated in political negotiations social conversations and the shared seasonal rhythms of the year Drawing on small scale paintings popular poetry chronicle histories and royal inventory records Sylvia

Houghteling charts the travels of textiles from the Mughal imperial court to the kingdoms of Rajasthan the Deccan sultanates and the British Isles She shows how the art of cloth encompassed both the making of textiles as well as their creative uses Houghteling asks what cloth made its wearers feel how it acted in space and what images and memories it conjured in the mind She reveals how woven objects began to evoke the natural environment convey political and personal meaning and span the distance between faraway people and places Beautifully illustrated *The Art of Cloth in Mughal India* offers an incomparable account of the aesthetics and techniques of cloth and cloth making and the ways that textiles shaped the social political religious and aesthetic life of early modern South Asia Anglo-Irish and Gaelic Women in Ireland, C. 1170-1540

Gillian Kenny,2007 Gillian Kenny provides a coherent picture of the lives of women in medieval Ireland through an examination of their marital circumstances By comparing and contrasting the differing lives of Anglo Irish and Gaelic singlewomen wives widows and nuns of late medieval Ireland the author tries to identify how their functions and roles in society were affected by the differing rights enjoyed and by the restrictions imposed by their different societies The book is constructed to reflect thematically the standard marital progression of women in medieval Ireland both Gaelic and Anglo Irish from singlewomen to wives to widows The machinery of church and state dominated and controlled how women conducted their lives Within these structures however women were able to differing extents to transmit and receive land and movables to work for a living as tradeswomen craftswomen or merchants or to devote themselves to the spiritual life as singlewomen wives or widows The Publishers Weekly ,2000 *Women and Religion in Medieval England* Diana

Wood,2003 Nuns and devout noblewomen were sometimes celebrated for their achievements in the literature of the medieval period but more often than not these women only appear on the side lines of history while the ordinary wife and mother is virtually invisible These papers written by historians and archaeologists discuss the religious devotion and spiritual life of medieval women from all walks of life From an analysis of the architecture and economic organisation of nunneries to an assessment of the medieval Church s response to the pain and perils of childbirth these papers consider the influence of the church on the lives of women and the influence that women had on the life and worship of the Church **Who's Who of**
