Global Cyber Security Labor Shortage and International Business Risk Christiansen, Bryan, Piekarz, Agnieszka, 2018-10-05 Global events involving cybersecurity breaches have highlighted the ever growing dependence on interconnected online systems in international business. The increasing societal dependence on information technology has pushed cybersecurity to the forefront as one of the most urgent challenges facing the global community today. Poor cybersecurity is the primary reason hackers are able to penetrate safeguards in business computers and other networks and the growing global skills gap in cybersecurity simply exacerbates the problem. Global Cyber Security Labor Shortage and International Business Risk provides emerging research exploring the theoretical and practical aspects of protecting computer systems against online threats as well as transformative business models to ensure sustainability and longevity. Featuring coverage on a broad range of topics such as cybercrime, technology, security, training and labor market understanding, this book is ideally designed for professionals, managers, IT consultants, programmers, academicians and students seeking current research on cyber security's influence on business education and social networks.

The Hollywood Reporter, 2008 Social Media Communication Jeremy Harris Lipschultz, 2023-07-18 This updated fourth edition presents a wide scale interdisciplinary guide to social media communication. Examining platforms like Facebook, Instagram, Snapchat, TikTok, Twitter and YouTube, the book analyzes social media's use in journalism, public relations, advertising and marketing. Lipschultz focuses on key concepts, best practices, data analyses, law and ethics, all promoting the critical thinking that is needed to use new, evolving and maturing networking tools effectively within social and mobile media spaces. Featuring historical markers and contemporary case studies, essays from some of the industry's leading social media innovators and a comprehensive glossary, this practical, multipurpose textbook gives readers the resources they will need to both evaluate and utilize current and future forms of social media communication. Updates to the fourth edition include an expanded discussion of disinformation, the impact of artificial intelligence, AI, natural language, chatbots, virtual and augmented reality technologies, and the COVID 19 infodemic. Social Media Communication is the perfect social media primer for students and professionals, and with a dedicated online teaching guide ideal for instructors too.
