

The background of the slide is a photograph of an open book, likely a Bible, with its pages slightly aged and yellowed. The lighting is warm and soft, coming from the upper right, creating a gentle glow over the text and the book's pages. The book is open to a spread of two pages, with the left page showing some text and the right page being mostly blank or less legible. The overall mood is scholarly and contemplative.

William Lane Craig

Systematic Theology Volume 1:

Systematic Philosophical Theology, Volume 1 William Lane Craig, 2025-03-03 Offers a transformative journey through Christian doctrine invites readers to engage with an intellectually enriching exploration of faith and reason Systematic Philosophical Theology is a multi volume explication of Christian doctrine in the classic Protestant tradition of the loci communes Blending the disciplines of biblical theology historical theology and analytic theology this landmark series provides readers with a biblically faithful philosophically coherent articulation of the full range of Christian doctrine In the first volume of the series Prolegomena On Scripture On Faith distinguished theologian and philosopher William Lane Craig begins by introducing his conception of systematic philosophical theology describing how it relates to biblical theology dogmatics fundamental theology apologetics and especially philosophy of religion The chapters that follow defend the divine authority of Scripture address the nature of faith and discuss the rational justification for Christian faith Throughout the text Craig tackles deep philosophical issues that arise naturally from Christian doctrine such as questions regarding the compatibility of biblical inspiration and human freedom Taking a synoptic integrative approach that lays the foundation for engaging with subsequent volumes in the series Prolegomena On Scripture On Faith Offers a deep integration of philosophy and theology Characterizes the main features of systematic theology including its nature goals subject matter and relations to adjacent disciplines Combines sacred and secular knowledge to build a synoptic worldview bridging the gap between theology and scientific disciplines Presents creative formulations of Christian doctrines such as a Molinist doctrine of biblical inspiration Systematic Philosophical Theology Volume I Prolegomena On Scripture On Faith is essential reading for philosophers of religion systematic theologians analytic theologians and Christian philosophers It is also a valuable resource for students and scholars of religion philosophy of religion and theology as well as laypeople and academics in other fields

Systematic Theology: Volume I - The Doctrine of God Augustus Hopkins Strong, 2017-04-09 The opening book in this three volume set it focuses exclusively on the person of God Within the grounds of this work are the person of God the authority of scripture and the works of God in our world These topics are becoming more relevant today as people are constantly questioning the person of the Father

Systematic Theology, Volume One Stephen J. Wellum, 2024-02-15 Stephen Wellum's Systematic Theology Volume One is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures Building on decades of research Wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God

Systematic Theology, Volume 1 Paul Tillich, 1973-09-15 This is the first part of Paul Tillich's three volume Systematic Theology one of the most profound statements of the Christian message ever composed and the summation and definitive presentation of the theology of the most influential and creative American theologian of the twentieth century In this path breaking volume Tillich presents the basic method and statement of his system his famous correlation of man's deepest questions with theological answers Here the focus is on the concepts of being and reason Tillich shows how the quest for revelation is integral to reason itself In the same way a description of the inner tensions of being leads to the recognition that the quest for God is implied in finite being Here also Tillich defines his thought in relation to philosophy and the Bible and sets forth his famous doctrine of God as the Ground of Being Thus God is understood not as a being existing beside other beings but as being itself or the power of being in everything God cannot be made into an object religious knowledge is therefore necessarily symbolic
