Rebel in the Deep Katee Robert, 2025-05-20 The rebellion's fight turns into a battle of the heart in this pulse-pounding conclusion to the Crimson Sails trilogy by New York Times bestselling author Katee Robert. Nox has been steadfastly working for the rebellion for years. They don't ask for much in return except for one crucial condition: their ex, the noble Bastian, stays as far away from them as possible. To say things ended poorly between them is an understatement, and it's the only relationship Nox has never quite recovered from. But now the rules have changed: Siobhan, the rebel leader, has emerged from hiding to tell Nox that Bastian's been taken captive, and the secrets he holds tight are in danger of being revealed. The fate of the entire rebellion now rests on Nox and Siobhan's ability to rescue Bastian from a Cn Annwn ship. Saving Bastian is only the start of their hardships, as the trio is tracked by ferocious pirates across Threshold. And Nox's complicated relationships and entanglements with Bastian and Siobhan put not only their life at risk but their heart on the line.

Katee Robert, 2024-05-14 INSTANT USA TODAY BESTSELLER Set sail for adventure and love in the next spicy fantasy romance from Katee Robert, the New York Times bestselling author of the TikTok smash hit *Neon Gods*. As a bloodline vampire, Lizzie has never had a problem taking what she wants... and right now, what she wants are the family heirlooms that were stolen from her and a portal home. Too bad even that short list is impossible to accomplish on her own, and her allies have bigger things to worry about. When they rescue a selkie from captivity, it's the perfect solution to her problem. Lizzie needs a guide through Threshold, and the selkie needs someone to help her get her skin back. Maeve didn't choose to give up her skin; it was stolen from her. Now she's in an uneasy partnership with a dangerous woman who seems more apt to kill than to share a kind word. It's terrifying and a bit alluring. Even though she knows it will end in heartbreak, Maeve can't help being drawn to Lizzie and her all-too-pleasurable vampire bite. Unfortunately, the danger to Maeve's heart is the least of her worries. The ship Lizzie's chasing belongs to the Cn Annwn, and they don't take kindly to people who steal from them. Not even Lizzie's viciousness or Maeve's selkie strength will be enough to save them if the Cn Annwn seek retribution.

Close Liaisons Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person's mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer's impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book

When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding
