Soothsayers of the Second Advent William M. Alnor, 1989 Refutes the statements made by others predicting the time of the Second Coming **The 8 Great Debates of Bible Prophecy** Ron Rhodes, 2014-08-01 You've heard about the tribulation millennium rapture and antichrist but you may wonder what's all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible's end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you'll be able to enjoy constructive conversations with other Christians and support your own informed convictions You'll also enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages *Naming the Antichrist* Robert C. Fuller, 1995 A history of Anti-christ doctrines in the United States

The Greening of Protestant Thought Robert Booth Fowler, 2000-11-09 The Greening of Protestant Thought traces the increasing influence of environmentalism on American Protestantism since the first Earth Day which took place in 1970 Robert Booth Fowler explores the extent to which ecological concerns permeate Protestant thought and examines contemporary controversies within and between mainline and fundamentalist Protestantism over the Bible's teachings about the environment Fowler explores the historical roots of environmentalism in Protestant thought including debates over God's relationship to nature and the significance of the current environmental crisis for the history of Christianity Although he argues that mainline Protestantism is becoming increasingly green he also examines the theological basis for many fundamentalists hostility toward the environmental movement In addition Fowler considers Protestantism's policy agendas for environmental change as well as the impact on mainline Protestant thinking of modern eco theologies process and creation theologies and ecofeminism

History of the Second Advent Message and Mission, Doctrine and People Isaac Cummings Wellcome, 1874 *Apocalyptic Fever* Richard G. Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern

America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more **The Last Days are Here Again** Richard G. David L.

Mathewson,2018-10-26 The New Testament contains numerous statements by Jesus and New Testament authors that seem to suggest that Jesus was coming back soon in their lifetime But two thousand years later here we still are How do we handle this apparent failed prophecy Did Jesus and his followers get it wrong Did they miscalculate the timing of Jesus return Or were Jesus and the authors of the New Testament anticipating something else The purpose of this book is to examine this issue by looking in detail at the New Testament texts that seem to promise that Christ is coming back right away It will provide a possible answer to these questions in light of the tension between the promised imminent return of Christ and its delay **Wherein millenarians are wrong; or, Christ's second coming proved to be impossible until the Father has made his enemies his footstool** James Gall,1887 **Awaiting the Millennium** Richard G. Kyle,1998 The Last Days Are

Here Again serves as a comprehensive source regarding movements related to the end times This handy guide also examines ideas espoused by fringe groups such as the Heaven s Gate cult and shows how end time thinking has been adapted to fit nearly every time period The Culting of America Ron Rhodes,1994 The Second Coming of Jesus George Floyd Taylor,1916

Forbidden Knowledge, Or is It? D. A.
