The Babylon Code:

The Babylon Code Paul McGuire,Troy Anderson,2015-10-06 What if God embedded a code in the Bible that could only be cracked in the end times a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end time events Unlocking a great mystery that has puzzled scholars for nearly two thousand years THE BABYLON CODE reveals how powerful forces are now at work to create a global government cashless society and universal religion as predicted by the prophets The result of a five year journalistic investigation THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world's most secret organizations the Bible's greatest prophetic riddle and what world renowned evangelist Billy Graham describes as a convergence in end time signs for the first time in history This prophetic mystery book pieces together the apocalyptic puzzle uncovering what may be not only the biggest story and political scandal in modern history but also the secret to both our survival and our salvation *The Babylon Code*

Richard N. Rhoades,2014-10-29 At a reception in the Kremlin on November 17 1956 Nikita Khrushchev made a startling comment aimed at America Whether you like it or not history is on our side We will bury you The break up of the USSR in 1991 was hailed by the West especially America as a victory over communism and its global threat of tyranny Throughout the world the cry was heard Communist rule is over The evil empire is gone But was it In *The Babylon Code Is AMERICA* in Prophecy author Richard N Rhoades examines the writings of Russian dissidents and high ranking communist military leaders to explain the real reason behind Khrushchev's angry outburst and to illustrate why Russia is more dangerous today than ever before His research reveals a long range KGB strategic plan for global domination known among some of the highest ranking Communist military defectors to the West Rhoades also explores the real reason Russia is now flexing its muscles to the United States and the world and what the ancient Hebrew prophets said about a great latter nation in the Bible code named Babylon whose real identity is mentioned in the Hebrew Scriptures not once but twice as AMERIKA

AMERICA *The Babylon Code* offers a well researched in depth look at the causes of these threats and actions viewing Russia America and its Jewish inhabitants with a new perspective **The Babylon Code** Layla Abbas,2025-04-16 In an age when the heavens were seen as the voice of the divine and numbers held the keys to fate a civilization rose that would forever shape our understanding of time power and destiny The Babylon Code takes readers deep into the intellectual and mystical heart of ancient Mesopotamia into the enigmatic Shimtu Tablets Drawing from archaeology astronomy and ancient theology Layla Abbas reveals how the Babylonians used their sexagesimal base 60 number system not only to chart the skies with astonishing accuracy but to encode a worldview where mathematics divination and cosmic order were inseparable The Shimtu Tablets were not just tools they were instruments of prophecy used to interpret omens guide rulers and glimpse the will of the gods Combining scholarly insight with vivid storytelling The Babylon Code uncovers the roots of a numerical language that still echoes in how we measure time and space today With every page Abbas challenges us to rethink what we

know about science mysticism and humanity's timeless quest to understand the universe. This is a book for seekers of ancient wisdom, lovers of history and anyone who senses that numbers may hold more than just quantity they may hold meaning.

The Supper Ronald P. Hesselgrave, 2019-09-17 The Lord's Supper or Eucharist has often been a subject of intense debate in the church. What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus' Last Supper with his disciples which was a Passover or Passover-like meal. Moreover the Last Supper connects back to various meals in Jesus' earthly ministry. And it looks forward to the great messianic banquet as fulfillment of Jewish expectations. In exploring these connections this book focuses on the three motifs of new creation, hospitality and hope in Christ. Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God's grace, forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God's present and ongoing work of restoration, justice and reconciliation will ultimately prevail. The Supper then is basically a condensed summary of the story of God's plan of redemption. Hesselgrave brings together biblical, theological, ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church.

A Brief History of the World Shunhong Zhang, Zilin Guo, Xiaodong Zhen, 2025-09-28 This book sets forth the historical lines from primitive society through slave society, feudal society and capitalist society to socialist society and from Stone Age to information era with brief words and colorful images and also clarifies the evolution from the relative isolation to close connection between countries in different parts in the world. Designated Disrupter Troy Anderson, 2026-01-06 Revival isn't coming, how you expect it's coming through the most unexpected voices of our time. In this book you will learn how God is using unconventional leaders and cultural icons to spark a global awakening and how you can partner with Him to see revival in your nation. America is facing what many call a Nineveh moment, a pivotal opportunity to turn back to God or plunge into moral and societal collapse. In *Designated Disrupter*, Pulitzer Prize nominated journalist and bestselling author Troy Anderson explores how figures like Donald Trump, Tucker Carlson, Jordan Peterson, Russell Brand and other unlikely influencers are igniting a spiritual revolution. Blending prophecy, politics and historical precedent, Anderson issues a prophetic call for national repentance and revival. Drawing from biblical insight, exclusive interviews and movements like The Return and the Asbury Revival, he reveals how today's chaos is the perfect setup for the next Great Awakening. In this book you will discover how God uses controversial and secular figures to spark revival. Learn historical and prophetic parallels between ancient Nineveh and modern America. Be equipped with practical strategies for prayer, fasting and cultural transformation. Understand your role in partnering with God to bring spiritual awakening to your generation.
