# Journal

Something good that happened to me today was

Something positive someone said about me

A compliment that I would give myself today is

Positive feelings that I experienced today:

I made someone else feel good when I

I had a negative thought about myself when

A different thought that I can have next time is

Something I can do to make tomorrow a better day is

**Self Esteem** David McKay, 2020-11-09 You Are One Step Away From Learning How to Build Your Confidence and Self Esteem and Become the Version of Yourself That You've Always Wished You Could Become. One of the critical ingredients for success in life is confidence and a good level of self esteem. Without these two, you can bet that you will struggle interacting with people, leading, taking initiative, getting stuff done, trying new things and much more. And in the end, your career, your social life, your businesses and many other facets of your life will suffer. A healthy self esteem and high level of confidence can enable you to get ahead in ways you never thought possible. So if you are struggling, let me ask you some questions: How much do you value yourself? Do you see yourself as someone who is worthless, unloved, incompetent or

awkward If you feel bad about yourself it is okay don t be too hard on yourself for thinking that of yourself because that only makes things worse and makes you sink deeper into the pit of despair In any case you are not alone in your struggle of low self esteem as a staggering 85% of the world s population struggles with low self esteem Well this is not to make you complacent and not take action to build your confidence but to encourage you that you are not alone others have struggled and many have emerged victorious and the good thing is that all it took was massive action to get there What then can you do to feel good about yourself What steps can you take to stop seeking approval from people How can you build your confidence from within This 2 in 1 set will answer the above questions and many more Here is a preview of what you will learn What self esteem and self confidence is How to destroy negative thinking because it is the first step to not valuing yourself How to boost your self esteem especially for introverted people who are prone to having low self esteem How to understand and take charge of your emotions Steps to take to overcome fear which is at the core of low self esteem The relationship between low self esteem and not achieving your goals What you need to do to take action to achieve the goals you have set even when you don t feel like it Effective mechanisms that you can use to shield yourself from the negativity that exists all around us Tips to help you overcome the fear of taking the first step How to use visualization to boost your self esteem How to become the best version of yourself And much more Everything is laid out in an easy to follow structure and writing style to ensure you move from having a low self esteem to having high self esteem seamlessly and without going back to your old self If you want to build your self esteem and confidence and start believing in the greatness that lies within but is untapped then Click Buy Now With 1 Click or Buy Now to get started
