## **One Woman's Testimony of a Transformed Life: a Book for**

**the Hungry, Hurting, and Healing Heart** Darlene Lorraine Gibson, 2023-03-23 This book exemplifies the many things that God used to transform her own life. Darlene went back to school in 2006 at the age of forty two during some of the most difficult times in her life. In her younger years she was quiet shy an average student a slow learner and not very enthusiastic about school. However God blessed her with the opportunity and desire to participate first in a program at Montgomery County Community College for adult students. This course New Choices New Options helped her to reinvent herself. This was not an easy road for her. She had to take remedial classes before she could even begin college courses. It took six years for her to complete the associate's degree program. Immediately following she entered a bachelor's program which took less than two years to complete. After that she enrolled in a master's program which took all of seven years to complete while stopping and starting again and changing her program several times. These things are highlighted because they were part of her struggles journey healing process failures and accomplishments. She dropped out a few times failed some classes that she then repeated and made numerous changes while on this path. By God's grace and strength she diligently kept going and maintained an average of 3.08 to 3.56 and sometimes higher and or slightly lower. One part of this book in Part 2 The Heart

of Me a k a Straight From My Heart is a book that she wrote and completed at the beginning of this journey in 2008 Now fourteen years later it is finally being published According to the Bible Study website the number fourteen means Double measure of spiritual perfection of God s people The number seven is completion and rest in the Bible According to the Bible Study website the number six represents Man and human weakness sin and Satan This symbolism is significant to understand because while finishing this part of her life s journey it allowed her to see God s plan more clearly On her path Satan was always trying to stop her from walking in the way of the Lord However God is faithful and has given her the courage and strength to go forward with a mighty testimony and do His will for His glory We are never too old to go back to school to start a new journey or to dare to hope and or change our paths Despite the struggles she finds complete joy in this journey and is looking forward to what is to come Her prayer is that in these pages others will see Jesus and find strength hope encouragement and joy in their journeys too How Can I Ever Trust You Again? Andrew G Marshall,2012-03-15

There are few things in life more traumatic than discovering that your partner is having an affair You are not only coping with the pain and anger but also the sense that your partner is a stranger How could someone you love and thought that you knew treat you in this way How can you ever trust your partner again Don t panic Millions upon millions of ordinary men and women have trodden the same path and come out the other end with not only their love restored but a significantly stronger and better relationship Whether you are the discoverer of the affair or whether you were discovered Marshall offers guidance and support and explains The seven stages that couples move through from discovery to recovery What makes people more vulnerable to affairs The eight types of affairs and how understanding your partner s affair is key to deciding whether you should stay or go How to stop your imagination running wild and your brain from going into meltdown Why some couples emerge stronger and why others get derailed from the recovery process With over 25 years experience as a marital therapist Marshall draws on hundreds of case studies and provides sensible compassionate and practical advice
