**Interesting Times** Terry Pratchett, 2008-12-05 There is a curse They say may you live in interesting times This is the worst thing you can wish on a citizen of Discworld Especially for the magically challenged Rincewind who has already had far too much excitement in his life Unfortunately the unlucky wizard always seems to end up in the middle of well absolutely everything So when a request for a Great Wizzard arrives from the faraway Counterweight Continent it's obviously Rincewind who's sent For one thing he's the only one who spells wizard that way Once again Rincewind is thrown headfirst into a dangerous adventure For the oldest empire on the Disc is in turmoil and Chaos is building And for some reason someone believes Rincewind will have a vital role in the coming war Pratchett is a comic genius Daily Express Funny delightfully inventive and refuses to lie down in its genre Observer Interesting Times is the fifth book in the Wizards series but you can read the Discworld novels in any order
