Time London Londoners Guides 2015 10 08:

London's Mayor at 20 Jack Brown, Richard Brown, Tony Travers, 2020-11-24 This year London's elected mayor and assembly turn twenty But has London's mayoralty lived up to the expectations that were set for it Have its three mayors been able to get to grips with the city's challenges How have they responded to crises in the past and what does the future hold This important new book marks the twentieth anniversary of London's mayor and assembly and investigates the relative successes and challenges of the mayoralty to date before asking what comes next for London It combines analysis by experts with reflections from those closely involved in setting up running and working with the Greater London Authority alongside those who have held the position of Mayor of London themselves

A Contemporary Archaeology of London's Mega

Events Jonathan Gardner, 2022-05-16 A Contemporary Archaeology of London's Mega Events explores the traces of London's most significant modern mega events Though only open for a few weeks or months mega events permanently and disruptively reshape their host cities and societies they demolish and rebuild whole districts they draw in materials and participants from around the globe and their organisers self consciously seek to leave a legacy that will endure for decades or more With London as his case study Jonathan Gardner argues that these spectacles must be seen as long lived and persistent rather than simply a transient or short term phenomena Using a novel methodology drawn from the subfield of contemporary archaeology the archaeology of the recent past and present day a broad range of comparative studies are used to explore the long term history of each event These include the contents and building materials of the Great Exhibition's Crystal Palace and their extraordinary afterlife at Sydenham South London how the Festival of Britain's South Bank Exhibition employed displays of ancient history to construct a new post war British identity and how London 2012 as the latest of London's mega events dealt with competing visions of the past as archaeology waste and heritage in creating a vision of the future
