pictures and videos and send them to others without having to worry about whether or not it'll still be there the next day in particular worrying about your embarrassing pics and videos. This is because Snapchat was designed to specifically delete or remove the pictures or videos also called memories that you post from its database within 24 hours after being posted on its platform. And more than just being about pictures and videos, Snapchat is all about short term content also called transient pictures and videos. That is why by default all you can see on the app's home screen is just a simple camera view. And with such simplicity, it's very easy and convenient to send your pictures and videos to just about anyone on Snapchat. Here is a preview of what you will learn: Snapchat and its history, Getting Started on Snapchat, How to take and Send a Snap, How is Snapchat different from WhatsApp and Facebook, Gaining followers on Snapchat, Snapchat Paid Advertising, Converting Followers And More.
