Through The Valley Vietnam 1967 68 Stackpole Military History Series:

Through the Valley James F. Humphries, 2008-10-13 Based upon his own recollections while serving with the 196th Light Infantry Brigade those of fifty other Vietnam veterans and declassified documents from both sides of the war Col Humphries recounts the battles of South Vietnam's northern provinces in 1967 1968

Through the Valley James F. Humphries, 2008-10-13 The fierce close combat in the remote areas of South Vietnam's northern provinces in 1967 68 the battles of Hiep Duc March 11 Nhi Ha and Hill 406 has been a strangely underreported slice of the Vietnam War Through the Valley brings those battles into sharp focus chronicling the efforts of the proud units of the Americal Division and the 196th Light Infantry Brigade against a stubborn enemy in long forgotten villages and on torturous hills Colonel Humphries draws on both his own combat experience and the eyewitness reports of fifty former veterans to reconstruct what it was like to fight in Vietnam

Panzers in Normandy Samuel W. Mitcham, 2009-02-04 The story of one of Germany's most renowned panzer commanders Based on Eberbach's own papers and writings Details on the armored opponent the Allies faced after D Day In July 1944 after fighting in most of Germany's campaigns Poland France in 1940 the Eastern Front and then serving as Heinz Guderian's troubleshooter General of Panzer Troops Hans Eberbach took command of Panzer Group West near the vital city of Caen in the British sector of Normandy During the next two months Eberbach led German tanks against the Allied onslaught in an ultimately vain attempt to stop the breakthrough into France's interior Captured by the British at the end of August Eberbach nevertheless secured himself a place among Germany's best panzer leaders

Death in the Highlands J. Keith Saliba, 2023-06-14 A history of the first engagement between the U S Army and the North Vietnamese Army at the beginning of the Vietnam War in 1965 In fall 1965 North Vietnam's high command smelled blood in the water The South Vietnamese republic was on the verge of collapse and Hanoi resolved to crush it once and for all The communists set their sights on South Vietnam's strategically vital West Central Highlands Annihilate ARVN's defenses in Kontum and Pleiku provinces the communists surmised and the region's remaining provinces would topple like dominoes Their first target was the American Special Forces camp at Plei Me remote and isolated along the Cambodian border As darkness fell on 19 October 1965 two North Vietnamese Army regiments some four thousand troops crept into their final strike positions The plan was as simple as

it was audacious one regiment would bring the frontier fortress under murderous siege while the other would lie in wait to destroy the inevitable rescue force Initially all that stood athwart Hanoi s grand scheme was a handful of American Green Berets a few hundred Montagnard allies and burgeoning U S airpower Cut off and beleaguered Plei Me s defenders fought for their lives while a daring band of close air support and resupply pilots helped keep the beast at bay But as the overland relief force bogged down 5th Group ordered in the legendary Chargin Charlie Beckwith and his elite Project Delta to help hold the line Soon the 1st Cavalry Division would also join the fray setting the stage for its bloody Ia Drang Valley fights a few weeks later Before it was over the siege of Plei Me would push its defenders to the brink and usher in the first major clashes between the U S and North Vietnamese armies Drawing on archival research and interviews with combat veterans J Keith Saliba reconstructs this pivotal battle in vivid gut wrenching detail and illustrates where the siege fit in the war s strategic picture Praise for *Death in the Highlands* Winner 2021 Gold Medal in history Military Writers Society of America This story has it all the bravery and suffering of men in extreme peril and how they lived and died Plei Me was the prelude to the bloody battles of the 1st Cavalry Division troopers in the nearby Ia Drang Valley just weeks later Keith Saliba has done them all proud Joseph L Galloway co author of the New York Times bestseller *We Were Soldiers Once and Young* Military history at its best a clear detailed and highly readable account of an important but little understood battle of the Vietnam War Col Andrew R Finlayson USMC Ret author of *Killer Kane* A Marine Long Range Recon Team Leader in Vietnam 1967 1968 and winner of the CIA s Studies in Intelligence Award *My Lai* Howard Jones, 2017-05-04 On the early morning of March 16 1968 American soldiers from three platoons of Charlie Company 1st Battalion 20th Infantry Regiment 11th Brigade 23rd Infantry Division entered a group of hamlets located in the Son Tinh district of South Vietnam located near the Demilitarized Zone and known as Pinkville because of the high level of Vietcong infiltration The soldiers many still teenagers who had been in the country for three months were on a search and destroy mission The Tet Offensive had occurred only weeks earlier and in the same area and had made them jittery so had mounting losses from booby traps and a seemingly invisible enemy Three hours after the GIs entered the hamlets more than five hundred unarmed villagers lay dead killed in cold blood The atrocity took its name from one of the hamlets known by the Americans as My Lai 4 Military authorities attempted to suppress the news of My Lai until some who had been there in particular a helicopter pilot named Hugh Thompson and a door gunner named Lawrence Colburn spoke up about what they had seen The official line was that the villagers had been killed by artillery and gunship fire rather than by small arms That line soon began to fray Lieutenant William Calley one of the platoon leaders admitted to shooting the villagers but insisted that he had acted upon orders An expos of the massacre and cover up by journalist Seymour Hersh followed by graphic photographs incited international outrage and Congressional and U S Army inquiries began Calley and nearly thirty other officers were charged with war crimes though Calley alone was convicted and would serve three and a half years under house arrest before being paroled in

1974 My Lai polarized American sentiment Many saw Calley as a scapegoat the victim of a doomed strategy in an unwinnable war Others saw a war criminal President Nixon was poised to offer a presidential pardon The atrocity intensified opposition to the war devastating any pretense of American moral superiority Its effect on military morale and policy was profound and enduring The Army implemented reforms and began enforcing adherence to the Hague and Geneva conventions Before launching an offensive during Desert Storm in 1991 one general warned his brigade commanders No My Laos in this division do you hear me Compelling comprehensive and haunting based on both exhaustive archival research and extensive interviews Howard Jones s My Lai will stand as the definitive book on one of the most devastating events in American military history Relentless Valor Kenneth Hughes, Richard Hast, 2027-06-30 Relentless Valor Vietnam 1969 I Corps the deadliest region of the war The shared experiences of over 300 veterans privates to generals friends and foes unfold in a powerful saga of valor compassion intrigue and love Historical accuracy and first hand accounts define this gripping narrative chronicling the Vietnam War through the eyes of American and Vietnamese soldiers Relentless Valor weaves the voices of U S veterans and South and North Vietnamese fighters The story follows two young men from opposite sides of the war Rick Hast a 21 year old draftee from Ohio answers the call to serve honoring his father s legacy a soldier wounded on Omaha Beach in 1944 He hopes to survive his one year tour and return home to marry his sweetheart As part of Charlie Company he trudges through the treacherous mountains and valleys as bait for an enemy that never rests engaging in ambushes firefights and deadly encounters with Charlie Company s feared Zapper squad so lethal that the Viet Cong places a bounty on them Nguyen Van Li a 17 year old North Vietnamese soldier has no love for communist ideology but joins the fight to find his missing brother a soldier in the North Vietnamese Army Along the Ho Chi Minh Trail he experiences love and loss forging unbreakable bonds with childhood friends one of whom becomes a ruthless squad leader in the 6th Company They know their fate fight until victory or die trying Their fates collided in the Que Son Basin known as Death Valley during a brutal fourteen day battle in August 1969 a stark contrast to Woodstock s Three Days of Peace and Music unfolding back in the United States Meanwhile Pham Thi Tiep the widow of a slain Viet Cong leader rises to power organizing a vast network of spies the Sisters of the Cao Chinh Trung and advocating for women to become combatants As America grows weary of the conflict the war becomes a machine driven by attrition Relentless Valor is a raw and unflinching tribute to the warriors the lost and the survivors American and Vietnamese whose lives were forever changed by the Vietnam War **The Boys of '67** Andrew Wiest, Erik Hendrix, 2020-10-27 When the 160 men of Charlie Company 4th Battalion 47th Infantry 9th ID were drafted by the US Army in May 1966 they were part of the wave of conscription that would swell the American military to 80 000 combat troops in theater by the height of the war in 1968 In the spring of 1966 the war was still popular and the draftees of Charlie Company saw their service as a rite of passage But by December 1967 when the company rotated home only 30 men were not casualties and they were among the first vets of the war to be spit on and harassed by war protestors as they arrived

back the U S In his new book *The Boys of 67* Andy Wiest the award winning author of *Vietnam's Forgotten Army* and *The Vietnam War 1956-1975* examines the experiences of a company from the only division in the Vietnam era to train and deploy together in similar fashion to WWII's famous 101st Airborne Division Wiest interviewed more than 50 officers and enlisted men who served with Charlie Company including the surviving platoon leaders and both of the company's commanders One of the platoon leaders Lt Jack Benedick lost both of his legs but went on to become a champion skier In addition he interviewed 15 family members of Charlie Company veterans including wives children parents and siblings Wiest also had access to personal papers collections of letters a diary an abundance of newspaper clippings training notebooks field manuals condolence letters and photographs from before during and after the conflict As Wiest shows the fighting that Charlie Company saw in 1967 was nearly as bloody as many of the better publicized battles including the infamous Ia Drang and Hamburger Hill As a result many of the surviving members of Charlie Company came home with what the military now recognizes as Post Traumatic Stress Disorder a diagnosis that was not recognized until the late 1970s and was not widely treated until the 1980s Only recently after more than 40 years have many members of Charlie Company achieved any real and sustained relief from their suffering **The Odyssey of Echo Company** Doug Stanton, 2017-09-19 A portrait of the American recon platoon of the 101st Airborne Division describes their sixty day fight for survival during the 1968 Tet Offensive tracing their postwar difficulties with acclimating into a peacetime America that did not want to hear their story

The War in the Northern Provinces, 1966-1968 Willard Pearson, 1975 *Death Valley* Keith William Nolan, 1988-08 Nolan presents a compelling you are there account of the 1969 Summer Offensive in Vietnam when the war was almost over but the fighting still dragged on A major contribution to the Vietnam War literature *Military Journal* *Cedar Falls-Junction City* Bernard William Rogers, United States Department of the Army, 2011-03-01 First published in 1973 From the preface Cedar Falls Junction City A Turning Point has been written at the request of General William C Westmoreland Chief of Staff of the Army who concerned about the lack of authoritative accounts of various actions and activities in Vietnam desired that a series of monographs be prepared to fill the void in the Army's historical library Operations CEDAR FALLS and JUNCTION CITY took place during the first five months of 1967 and were the first multidivisional operations in Vietnam to be conducted according to a preconceived plan They were to result in a turning point in the war they confirmed that such operations do have a place in counterinsurgency warfare today they brought an end to the enemy's thinking that his third phase of the war large scale operations throughout the country would be successful they caused the enemy to re evaluate his tactics and revert to smaller scale guerrilla operations they destroyed his camps pillaged his supplies and killed hundreds of his best troops they proved to the enemy that his old sanctuaries were no longer inviolable thus causing him to depend primarily upon those located over the border in Cambodia they helped convince the enemy that the maintenance of large bases and main force units near urban areas was risky business and they enhanced immeasurably the confidence of the allied forces in

South Vietnam a confidence which had been growing since the dark days of the first half of 1965 Thus CEDAR FALLS and JUNCTION CITY were to become the most important operations of the war to that time and perhaps since **Brave Lads**
