Claudia André,Eva Paulino Bueno,2014-01-09 Latin American Women Writers An Encyclopedia presents the lives and critical  
works of over 170 women writers in Latin America between the sixteenth and twentieth centuries This features thematic  
entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese and who  
have had an impact on literary political and social studies Focusing on drama poetry and fiction this work includes authors  
who have published at least three literary texts that have had a significant impact on Latin American literature and culture  
Each entry is followed by extensive bibliographic references including primary and secondary sources Coverage consists of  
critical appreciation and analysis of the writers works Brief biographical data is included but the main focus is on the  
meanings and contexts of the works as well as their cultural and political impact In addition to author entries other themes  
are explored such as humor in contemporary Latin American fiction lesbian literature in Latin America magic realism or  
mother images in Latin American literature The aim is to provide a unique thorough scholarly survey of women writers and  
their works in Latin America This Encyclopedia will be of interest to both to the student of literature as well as to any reader  
interested in understanding more about Latin American culture literature and how women have represented gender and  
national issues throughout the centuries    **Handbook of Latin American Studies** Dolores Moyano Martin,1999-01-01
