Leading the Common Core Initiative Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian s role in their implementation this book offers ready to use lesson plans and other tools for grades K 5 and identifies opportunities for collaborative teaching As

elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards CCSS school librarians need to understand the challenges and have lesson plans ready to help This resource introduces the CCSS in English and mathematics to K 5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers Based upon the authors own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction The book also discusses the opportunities for advocacy that result from the librarian s instrumental role in implementing the CCSS both as a staff developer and a collaborative partner teacher

Visualizing Elementary Social Studies Methods John K. Lee, 2012-04-13 An excellent resource for social studies teachers this book will help them learn about and reflect on their responsibilities in our society It focuses on classroom based experiences and real world contexts The teaching methods discussed are also closely associated to social studies subject matter so they can be integrated into the actual classroom Each chapter also examines how social studies is situated within the larger elementary curriculum to demonstrate the interdisciplinary nature of the instruction

Linking Literature with Life Alexa L. Sandmann, John F. Ahern, 2002 Three significant changes have impacted the teaching of social studies to young adolescents in the past decade 1 development of the curriculum standards for social studies by the National Council for the Social Studies NCSS 2 growth in the number of middle schools which are premised on the integration of content and 3 expansive use of children s literature in social studies This book is in response to those innovations which are explained in two parts 1 provides a rationale for using trade books in social studies and details strategies for nurturing students reading comprehension and 2 provides annotations for more than 250 trade books along with ideas for classroom use and recommends 150 additional titles An index by title and an index by subject are also included
