Crisis Communications: The Definitive Guide to Managing the Message Steven Fink, 2013-02-12 The Definitive Guide to Communicating in Any Crisis When facing an already difficult crisis the last thing a company needs is to make it worse through its own communications or lack thereof. As one who has lived through a number of business crises and served as an independent investigator of the crises of others I consider Steven Fink's book to be an excellent guide to avoiding collecting scar tissue of your own by learning from the scar tissue painfully collected by others. Norman R Augustine former Chairman and Chief Executive Officer Lockheed Martin There are few guarantees in business today.
