characters or the dog or the castle or if Lu will ever stop eating fries No The question I get from parents is How in the world did you manage to do a creative project with your kids how did it go and how can I do it too The answer was 1 I just decided to do it 2 it went both terribly wrong and wonderfully right and 3 this book is how you can do it too One parent pulled me aside a bit frazzled and almost threatened me with If you ever hold a weekend workshop on how to do a creative project together with your kids I ll pay whatever you want to charge When I sat down with my then 8 year old on the red chair in early March of 2014 having just read a really bad children s book and said Wow that book was pretty bad I then immediately followed up with We can do better than that My son looked at me like I was crazy I was and challenged me to follow through on my dare I did Within a month we had a book on Amazon Now we can boast almost all of the list below 1 We have sold 1 000 000 books in 89 countries and 7 languages 2 We sometimes had to resort to bribery coercion and ice cream to get a chapter done 3 Just on royalties alone Li is eyeing a Maserati for his 16th birthday 4 We created something from nothing and no one can ever take that away 5 We get regular calls from Hollywood producers about making the movie versions 6 We broke all of Audible s rules when we recorded the audiobook version and got rejected 7 Both boys have transformed into perfect angels who study Mandarin in their free time after violin lessons and before their volunteer work for global literacy 8 I have a audio proof of my 10 year old narrating Chapter 8 that I can use at his wedding to embarrass him beyond his wildest nightmares and I can bring that up whenever I like to remind my boys that we are a family who shares experiences and it s good for blackmail 9 We did it all right 10 We did it all wrong 11 We did it Period HINT Take the list above and choose which one you like This book is proof that we can create something from nothing together with our kids What you re about to embark on is a journey that no one can take away from you We re going to create a time capsule you ll be able to cherish until your 89 year old neighbor finally tells you she s deaf and hasn t heard a word about it This book is going to help you create a bond with your kids For the record 1 We re not shooting for stardom at least not beyond your family 2 It s almost guaranteed it won t win any literary awards 3 I don t care if you sell 7 copies P S Either will you 4 We re shooting for the experience of starting persevering and finishing a creative project with parents and children that you can be proud of or cringe over I ve got to finish up this bit here as I need to interview my teenager for our latest book What I Wish I Knew When I Was 13 He hates the idea so far Usually that s a firm indicator that it s going to be a success Speaking of success we re not going to succeed if we don t get started Let us help you get started Ready Lu will NEVER stop eating fries

Coins, Coupons, and Combinations Karen Economopoulos,2006 A Collection of Math Lessons Marilyn Burns,Cathy Humphreys,1990 Offers inspiring practical classroom tested ideas for helping students learn mathematics through problem solving *Solving Principles of Accounting Problems Using Excel for Windows* ,2005 This text helps students hit the road with a practical set of tools and the confidence they need to use those tools effectively in making business decisions The goal is to introduce a new Principles of Accounting text that better reflects a more conceptual and decision making approach to

the material The authors have taken a new macro to micro approach to the Principles of Accounting course by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle although the Accounting Cycle is thoroughly covered in Chapters 3 and 4 The objective is to establish how a financial statement communicates the financing investing and operating activities of a business to users of accounting information They motivate students by grounding the discussion in the real world showing them the relevance of the topics covered to their future career
