Hockey Made Easy : Instructional Manual John Shorey,1995 **Chill Factor** David Paitson,Craig Merz,2015-03-03

The city of Columbus Ohio had always struggled to support any professional sports franchise It s a town where Ohio State University reigns supreme and everything else is less important That was until 1991 when the Columbus Chill a minor league hockey franchise arrived Using Veeckian marketing tactics and on ice shenanigans the Chill became the talk of the city and gained a religious local fan base Based on the success of the Chill from 1991 99 the city of Columbus was awarded with the Columbus Blue Jackets in 2000 the city s own NHL franchise Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial The success of the Chill after their first season gave the organization the impetus to challenge local civic and business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home Nashville Predators: The Making of Smashville Justin B. Bradford Pete Weber,2015-10-26

Many are Called-- Few are Signed : Hard Realities of Professional Hockey Rick Heinz,1988 **The California Golden Seals** Steve Currier,2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey s traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise s mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey s most infamous losing team **NHL Goalies** Stan Fischler,Stanley I.
