Romantasy S Today

Lori Gold

Romantasy S Today:

Fantasy from A to Z Joe Vasicek, 2025-01-01 From Tolkien to today why fantasy still matters Fantasy isn't just about dragons, quests and magic; it's about wonder, meaning and the longing for a world that feels more real than our own. In **Fantasy from A to Z** author Joe Vasicek takes readers on a journey through twenty-six essays that explore the heart of the fantasy genre: what makes it timeless, what gives it power and why it continues to speak to us in a world that has forgotten how to dream. From archetypes and epic battles to kings, magic and the coming rise of nobility, Vasicek traces fantasy's roots back to the myths and moral struggles that define us as human beings. Part literary exploration, part personal manifesto, this book is a love letter to the stories that shaped us and a roadmap for anyone who believes that the world of wonder is still worth fighting for.

Romantic Friction Lori Gold, 2025-05-06 Relatable characters, sharp writing, and emotional turbulence will make you laugh and cry. Sally Hepworth, New York Times bestselling author of *Darling Girls*, Sofie Wilde's bestselling fantasy romance series, has been breaking bestseller records and readers' hearts for years. She's primed to become a worldwide phenomenon as the tenth and final book is set to debut after the annual romance readers convention takes place in Chicago next week. As buzz continues to build toward the book's release, Sofie is asked to headline the event for the first time, a career milestone. One she won't let anyone take from her, especially the next Sofie Wilde. That's what they're calling her: Hartley West, the self-published debut author who writes in the style of Sofie Wilde. Except she doesn't actually write anything. After Hartley admits to using AI to create her novel, Sofie's ready to watch Hartley be skewered on social media. Except in this unpredictable world, Hartley is instead lauded for being innovative for being such a skilled editor to take what the AI churned out and massage it into a story that's just as compelling as Sofie's, maybe even more so. After her unhinged rant unintentionally goes viral, Sofie loses her keynote and she's starting to lose all her support. That loss is Hartley's gain as her book sales start soaring; she's given the headliner spot. Sofie is livid. And she's not the only one. As the convention begins, Sofie is surrounded by fellow authors who also fear for their futures, their livelihoods, their art being stripped away one AI prompt at a time. Something must be done. This has to be stopped. Now. With the clock ticking down to the keynote, Sofie enlists her fellow authors in a plan to stop Hartley's vowing. The next Sofie Wilde over my dead body. Or hers. Lori Gold has crafted a raucous romp through the world of publishing, asking what it really means to be a writer in the time of AI, perfect for fans of Finlay Donovan's *Killing It* and Emily Henry's *Frozen Fire*. Orlando A. Sanchez, Power flows toward purpose, not desire. The hand that can destroy must build. Val holds the power of Brightshadow within her. Power that is too much for her to control. After escaping the Directorate HQ with Mel and Xander, Val found her way to the Tombs and to Alala, a Master Darkmage Instructor. An instructor that can teach her the Skills. There's only one problem: Alala has sworn a vow not to teach another darkmage. Especially not one named Forza. Now she faces a choice: Will she teach Val the Skills and equip her to wield Brightshadow, the key to finding the Eclipse?

Hearts Between Worlds Hearts Between Worlds, 2025-10-02. Hearts

Between Worlds Romance and Fantasy in Contemporary Arabic Literature Where passion meets imagination a new kind of storytelling is born Hearts Between Worlds explores the rise of Romantasy the fusion of romance and fantasy in both global and contemporary Arabic literature From the timeless pull of love stories to the limitless horizons of magical worlds this book reveals how emotion and imagination together create narratives that captivate readers everywhere It traces the roots of romance as a narrative force examines fantasy as an escape from reality and shows how the union of the two has become one of today s most powerful literary trends Blending literary analysis with cultural insight the book journeys through international bestsellers by authors like Sarah J Maas and Rebecca Yarros while also uncovering resonances in Arabic works by writers such as Ahlam Mosteghanemi and Youssef El Sebai At its heart lies a call to Arab authors and readers alike to embrace this genre to draw on the richness of heritage and myth and to create stories that stand proudly on the global stage while carrying an unmistakable Arab voice Hearts Between Worlds is more than literary criticism it is an invitation to dream to feel and to imagine It speaks to anyone who believes that love and fantasy together can transform the act of reading into a journey of discovery wonder and unforgettable emotion
