## Multiplication Circles

Directions: Multiply the inner number to get the outer number.

The image shows six multiplication circles arranged in two rows of three. Each circle consists of a central circle with a number inside, and an outer ring divided into several segments. The numbers in the centers are 2, 3, 4, 5, 6, and 7. The outer rings are intended for the student to write the products of the center number multiplied by the numbers in the segments.
