**Electronic Commerce** Hossein Bidgoli, 2001-08-29 This four part overview of electronic commerce offers a more thorough and technical view of the subject than many recent books on the subject. The book provides a balance of theories, applications and hands-on material. Electronic Commerce is divided into four parts: Electronic Commerce Basics, Electronic Commerce Supporting Activities, Implementation and Management Issues in Electronic Commerce, and Appendix and Glossary. The book's chapters begin with introductions of leading companies with significant e-commerce expertise and at least two small case studies. They include 10 or more hands-on exercises encouraging readers to explore and analyze sites and a list of key terms and bibliographic citations. They conclude with 25-30 review questions and 6-10 projects for further investigation. Offers a generalist's overview of the field and its major players for people with little or no technical background. Every chapter starts with an industry profile and two information boxes which serve as case studies and point to practical applications. Projects and hands-on exercises conclude each chapter.

But I'm bored. Parents constantly hear these three dreaded words from their kids and it's no secret why our kids don't know how to play by

themselves anymore and make their own fun Busy schedules on demand screens and safety concerns have transformed the landscape of play for children today and parents have been unfairly expected to fill in the gap We love our kids but we don t need to play with them 24 7 to be a good parent Independent play is Lizzie Assa s specialty and she has become the go to expert on the topic to the 200K parents who follow her on Instagram and the 20K newsletter subscribers who get her weekly updates and ideas The key she argues is to prioritize independent unstructured play The result kids can develop their imagination and parents can enjoy some precious much needed time to themselves In But I m Bored Assa shows exactly how to strike this balance Through high impact low effort strategies parents learn how to create play pockets in their home choose open ended toys that spark imagination set play boundaries and stick to them and enforce the wonders of quiet time Then when parents do engage in play time with their kid it doesn t feel like a job it strengthens their relationship to their child and helps cultivate an overall happier healthier environment for the whole family But I m Bored isn t about doing everything perfectly It s about freeing your child to be authentically themselves so you can be the best version of yourself Because doesn t every child and parent deserve that The Washingtonian ,1989-10 Art Now Gallery Guide ,2004-11
