## **Success Is Attitudinal How To Maximize Your Study Time:**

**Success is Attitudinal: How To Maximize Your Study Time** Isaac Danso, 2010-10-08 There are several definitions out there of what success is supposed to mean. However, this book presents a fresh perspective on the matter, letting us know that a change in attitudes triggered by the right information can effect a corresponding change in our lives and by extension our professional and academic lives. Although this book was written with students in mind, the principles shared still remain relevant and applicable to professionals in the workplace. This practical insight filled book deals with one of the aspects of the attitudes that make some people more successful than others. Time In this book we'll master one of the core skills of successful people. Time management achieving a lot in less time. Time is so important in that it contains the seeds of success. Throwing away our time is tantamount to throwing away our success and life, hence the need for us to understand time and the basics of its management. In Success is Attitudinal How to Maximize Your Study Time you'll learn The importance of time management. New time management methods and techniques. How to manage your time either as a student or working student. How to manage time better. Practical hands on tips on time management. How to become better at time management. How to manage your time during studying. How to develop basic time management skills even if you are a manager or student. You'll also learn that Time is You. Time is What You Say. It is Time is the Currency of Life as well as How to apply the 80/20 Rule in Time Management and so much more. In sum, the things shared in this book will equip you to achieve more in less time so as to stay ahead of the competition be it in your academics project the workplace or your industry where you function as a business person.
