Sugar A Global History

James Walvin

Sugar A Global History:

Sugar Andrew F. Smith, 2015-04-15 It's no surprise that sugar has been on our minds for millennia. First cultivated in New Guinea around 8,000 B.C.E., this addictive sweetener has since come to dominate our appetites, whether in candy, desserts, soft drinks, or even pasta sauces, for better and for worse. In this book, Andrew F. Smith offers a fascinating history of this simultaneously beloved and reviled ingredient, holding its incredible value as a global commodity up against its darker legacies of slavery and widespread obesity. As Smith demonstrates, sugar's past is chockfull of determined adventurers, relentless sugar barons, and plantation owners who worked alongside plant breeders, food processors, distributors, and politicians to build a business based on our cravings. Exploring both the sugarcane and sugar beet industries, he tells the story after story of those who have made fortunes and those who have met demise, all because of sugar's simple but profound hold on our palates. Delightful and surprisingly action-packed, this book offers a layered and definitive tale of sugar and the many people who have been caught in its spell, from barons to slaves, from chefs to the countless among us born with that insatiable devil, the sweet tooth.

Sugar Andrew F. Smith, 2015-05-15 Sugar is one of the most beloved substances consumed by humans, and also one of the most reviled. It has come to dominate our diets, whether in candy, desserts, soft drinks, or even bread and pasta sauces, for better and for worse. This fascinating history of this addictive ingredient reveals its incredible value as a global commodity and explores its darker legacies of slavery and widespread obesity. **Dust jacket**

The World of Sugar Ulbe Bosma, 2023-05-09 A tour de force of global history, Bosma has turned the humble sugar crystal into a mighty prism for understanding aspects of global history and the world in which we live. **Los Angeles Review of Books** The definitive 2,500-year history of sugar and its human costs, from its little-known origins as a luxury good in Asia to worldwide environmental devastation and the obesity pandemic. For most of history, humans did without refined sugar. After all, it serves no necessary purpose in our diets, and extracting it from plants takes hard work and ingenuity. Granulated sugar was first produced in India around the sixth century B.C., yet for almost 2,500 years afterward, sugar remained marginal in the diets of most people. Then suddenly, it was everywhere. How did sugar find its way into almost all the food we eat, fostering illness and ecological crisis along the way? **The World of Sugar** begins with the earliest evidence of sugar production. Through the Middle Ages, traders brought small quantities of the precious white crystals to rajahs, emperors, and caliphs. But after sugar crossed the Mediterranean to Europe, where cane could not be cultivated, demand spawned a brutal quest for supply. European cravings were satisfied by enslaved labor: two-thirds of the 12.5 million Africans taken across the Atlantic were destined for sugar plantations. By the twentieth century, sugar was a major source of calories in diets across Europe and North America. Sugar transformed life on every continent, creating and destroying whole cultures through industrialization, labor migration, and changes in diet. Sugar made fortunes, corrupted governments, and shaped the policies of technocrats. And it provoked freedom cries that rang with world-changing consequences. In Ulbe Bosma's definitive telling, to understand sugar's past is to

glimpse the origins of our own world of corn syrup and ethanol and begin to see the threat that a not so simple commodity poses to our bodies our environment and our communities **Congotay! Congotay! A Global History of Caribbean Food**

Candice Goucher, 2014-12-18 Since 1492 the distinct cultures peoples and languages of four continents have met in the Caribbean and intermingled in wave after wave of post Columbian encounters with foods and their styles of preparation being among the most consumable of the converging cultural elements This book traces the pathways of migrants and travellers and the mixing of their cultures in the Caribbean from the Atlantic slave trade to the modern tourism economy As an object of cultural exchange and global trade food offers an intriguing window into this world The many topics covered in the book include foodways Atlantic history the slave trade the importance of sugar the place of food in African derived religion resistance sexuality and the Caribbean kitchen contemporary Caribbean identity and the politics of the new globalisation The author draws on archival sources and European written descriptions to reconstruct African foodways in the diaspora and places them in the context of archaeology and oral traditions performance arts ritual proverbs folktales and the children s song game Congotay Enriching the presentation are sixteen recipes located in special boxes throughout the book

A Global History of Trade and Conflict since 1500 L. Coppolaro, F. McKenzie, 2013-11-20 This book explains the causes and consequences of the intersection of two transformative global forces trade and conflict since 1500 The nine historical case studies interspersed over 500 years and spanning the globe make a major historical contribution to the enduring debate about whether trade makes peace more likely *The Global History of Portugal* Carlos Fiolhais, José Eduardo Franco, José Pedro Paiva, 2021-12-06 For thousands of years Portugal has been the point of arrival and departure for peoples cultures languages ideas fashions behaviours beliefs institutions and produce While its miscegenation and global multimodal activity enriched the world in many ways it also provoked violence war suffering and resistance The Global History of Portugal contains 93 chapters grouped into five parts Pre history Antiquity Middle Ages Early Modern period and Modern World Each chapter begins with an event interpreted in the light of global history Each part opens with an introduction offering a perspective of the period in question The three Editors five Scientific Coordinators João Luís Cardoso Carlos Fabião Bernardo Vasconcelos e Sousa Catia Antunes and António Costa Pinto and ninety Contributors offer a critical and analytical synthesis of the history that originated in Portuguese territory or passed through it stimulating the process of encounter and dis encounter in today s global world The history presented gives special attention to the world that moulded Portugal and the Portuguese and to the ways Portugal configured the world It seeks to identify and understand the transversal entanglements of historic impact and the impulses these gave to the construction of Portugal and the world Contemporary reflection and academic scholarship on the global history of leading nations has stimulated a rethinking of the past and a more comprehensive recognition of legacy Historians can no longer overlook the wider world with which their country of investigation has interacted Portugal s role in the dynamic circulation of peoples and ideas makes it global history

not only unique by way of what took place but also in terms of a potential academic template for better understanding of how the past shapes the present and more particularly the importance of acknowledging a country's past historic missteps and how these are dealt with by contemporary populations

Global History and New Polycentric Approaches Manuel Perez Garcia, Lucio De Sousa, 2017-12-06 This book is open access under a CC BY 4.0 license Rethinking the ways global history is envisioned and conceptualized in diverse countries such as China Japan Mexico or Spain this collection considers how global issues are connected with our local and national communities It examines how the discipline had evolved in various historiographies from Anglo Saxon to southern European and its emergence in Asia with the rapid development of the Chinese economy motivation to legitimate the current uniqueness of the history and economy of the nation It contributes to the revitalization of the field of global history in Chinese historiography which have been dominated by national narratives and promotes a debate to open new venues in which important features such as scholarly mobility diversity and internationalization are firmly rooted putting aside national specificities Dealing with new approaches on the use of empirical data by framing the proper questions and hypotheses and connecting western and eastern sources this text opens a new forum of discussion on how global history has penetrated in western and eastern historiographies moving the pivotal axis of analysis from national perspectives to open new venues of global history

Making Sense of Global History Sølvi Sogner, 2001 Historians task has always been to make sense of the world This book presents selected papers dealing with the status of global history cultural contacts between the continents over the centuries the manifold construction and division of time and with the use and misuse of history worldwide

Sugar Elizabeth Abbott, 2011-09-27 This dramatic history of an ingredient that changed the world offers up a number of fascinating stories The New York Times Book Review Sugar explores the history behind the sweetness revealing among other stories how powerful American interests deposed Queen Lili'uokalani of Hawaii how Hitler tried to ensure a steady supply of beet sugar when enemies threatened to cut off Germany's supply of overseas cane sugar and how South Africa established a domestic ethanol industry in the wake of anti-apartheid sugar embargos The book follows the role of sugar in world events and in individual lives up to the present day showing how it made eating on the run socially acceptable and played an integral role in today's fast food culture and obesity epidemic Impressively researched and commandingly written Sugar will forever change perceptions of this tempting treat A highly readable and comprehensive study of a remarkable product The Independent Epic in ambition and briskly written The Wall Street Journal Readers will never again be able to casually sweeten tea or eat sweets without considering the long and fascinating history of sugar Booklist *Global History: The age of discovery and colonial expansion, 1400s to 1900s* David W. Del Testa, Florence Lemoine, John Strickland, 2004 Contains primary source material **The Twentieth Century, a Brief Global History** Richard D. Goff, 1986 **Sugar Changed the World** Marc Aronson, Marina Tamar Budhos, 2010

When this award-winning husband and wife team discovered that they each had sugar in their family history they were inspired to trace the globe-spanning story of the sweet substance and to seek out the voices of those who led bitter sugar lives The trail ran like a bright band from religious ceremonies in India to Europe's Middle Ages then on to Columbus who brought the first cane cuttings to the Americas Sugar was the substance that drove the bloody slave trade and caused the loss of countless lives but it also planted the seeds of revolution that led to freedom in the American colonies Haiti and France With songs oral histories maps and over 80 archival illustrations here is the story of how one product allows us to see the grand currents of world history in new ways Time line source notes bibliography and index included *Sugar* James Walvin, 2017 An entertaining informative and utterly depressing global history of an important commodity By alerting readers to the ways that modernity's very origins are entangled with a seemingly benign and delicious substance Sugar raises fundamental questions about our world Sven Beckert the Laird Bell professor of American history at Harvard University and the author of *Empire of Cotton: A Global History* in the New York Times A brilliant and thought-provoking history of sugar and its ironies Bee Wilson Wall Street Journal Shocking and revelatory no other product has so changed the world and no other book reveals the scale of its impact David Olusoga This study could not be more timely Laura Sandy Lecturer in the History of Slavery University of Liverpool How did a simple commodity once the prized monopoly of kings and princes become an essential ingredient in the lives of millions before mutating yet again into

the cause of a global health epidemic Prior to 1600 sugar was a costly luxury the preserve of the rich But with the rise of the European sugar colonies in the Americas in the seventeenth century sugar became cheap ubiquitous and hugely popular an everyday necessity As recently as the 1970s very few people suggested that sugar posed a global health problem yet today sugar is regularly denounced as a dangerous addiction on a par with tobacco and the cause of a global obesity epidemic While sugar consumption remains higher than ever in some countries as high as 50kg per head per year some advertisements proudly proclaim that their product contains no sugar Sugar while still clearly much loved has taken on a pariah status Sugar grown by enslaved workers people who had been uprooted and shipped vast distances to undertake the gruelling intensive labour on plantations brought about revolutionary changes in the landscape of the sugar colonies while transforming the tastes of the Western world Only now is the extensive ecological harm caused by sugar plantations being fully recognised but it is the brutal human cost from the first slave gangs in sixteenth century Brazil through to indentured Indian labourers in Fiji the Japanese in Hawaii or the South Sea Islanders shipped to Australia in the late nineteenth century that has struck us most forcibly in the recent past We can only fully understand our contemporary dietary concerns with regard to sugar by coming to terms with the relationship between society and sweetness over a long historical span dating back two centuries to a time when sugar was vital to the burgeoning European domestic and colonial economies This is exactly what Walvin helps us to do

The Atlantic in Global History, 1500-2000 Jorge Cañizares-Esguerra, Erik R. Seeman, 2007 This reader composed of original essays by leading authors expands the category of the Atlantic chronologically spatially and methodologically It firmly places the Atlantic within global history and the coverage expands into the nineteenth and twentieth centuries The essays present events that formed the nations and cultures of the Atlantic region and show their global roots and how they intertwine with non Atlantic communities of the world

Sweets and Candy Laura Mason, 2018-04-15 With eye popping colors and shapes intense flavors and curious textures sweets and candy are beloved by people of all ages worldwide They provide minor treats lessons in economics for children and colorful giveaways to mark festivities They can be admired for beauty and novelty make ideal gifts and can even be used to woo But these seemingly inconsequential indulgences are freighted with centuries of changing cultural attitudes social and economic history emotional attachments and divergent views on the salubriousness of sugar How did confectionary become so popular Why do we value concentrated sweetness in such varied gooey forms And in the face of ongoing health debates why persist in eating sweets From marzipan pigs and nutty nougat to bubblegum and bonbons Sweets and Candy looks beneath the glamour and sparkle to explore the sticky history of confectionary Methods for making sweets can be traced back to the importance of sugar in Arabic medicine and the probable origin of this practice in ancient India a place where sweetness is still important for both humans and gods Gorging on gobstoppers from these early candy antecedents to modern day delectables Laura Mason describes the bewildering and fascinating ways in which different cultures have made consumed valued and adored sweets throughout

history Featuring a selection of mouthwatering illustrations and scrumptious recipes to try at home this global candy trail will delight sweet toothed foodies and history buffs everywhere *Sugar* James Walvin, 2017-07-13 An entertaining informative and utterly depressing global history of an important commodity By alerting readers to the ways that modernity's very origins are entangled with a seemingly benign and delicious substance *How Sugar Corrupted the World* raises fundamental questions about our world Sven Beckert the Laird Bell professor of American history at Harvard University and the author of *Empire of Cotton A Global History* in the New York Times A brilliant and thought provoking history of sugar and its ironies Bee Wilson Wall Street Journal Shocking and revelatory no other product has so changed the world and no other book reveals the scale of its impact David Olusoga This study could not be more timely Laura Sandy Lecturer in the History of Slavery University of Liverpool The story of sugar and of mankind's desire for sweetness in food and drink is a compelling though confusing story It is also an historical story The story of mankind's love of sweetness the need to consume honey cane sugar beet sugar and chemical sweeteners has important historical origins To take a simple example two centuries ago cane sugar was vital to the burgeoning European domestic and colonial economies For all its recent origins today's obesity epidemic if that is what it is did not emerge overnight but instead evolved from a complexity of historical forces which stretch back centuries We can only fully understand this modern problem by coming to terms with its genesis and history and we need to consider the historical relationship between society and sweetness over a long historical span This book seeks to do just that to tell the story of how the consumption of sugar the addition of sugar to food and drink became a fundamental and increasingly troublesome feature of modern life Walvin's book is the heir to Sidney Mintz's *Sweetness and Power* a brilliant sociological account but now thirty years old In addition the problem of sugar and the consequent intellectual and political debate about the role of sugar has been totally transformed in the years since that book's publication *Sweet Treats around the World* Timothy G. Roufs, Kathleen Smyth Roufs, 2014-07-29 From apple pie to baklava cannoli to gulab jamun sweet treats have universal appeal in countries around the world This encyclopedia provides a comprehensive look at global dessert culture Few things represent a culture as well as food Because sweets are universal foods they are the perfect basis for a comparative study of the intersection of history geography social class religion politics and other key aspects of life With that in mind this encyclopedia surveys nearly 100 countries examining their characteristic sweet treats from an anthropological perspective It offers historical context on what sweets are popular where and why and emphasizes the cross cultural insights those sweets present The reference opens with an overview of general trends in desserts and sweet treats Entries organized by country and region describe cultural attributes of local desserts how and when sweets are enjoyed and any ingredients that are iconic Several popular desserts are discussed within each entry including information on their history their importance and regional cultural variations on preparation An appendix of recipes provides instructions on how to make many of the dishes whether for school projects or general entertaining **Global History & Geography** Sue Ann

Kime,Paul Stich,2000 Overview of main world history political science economics and geography themes from the ancient world to the present Includes practice exams with emphasis on writing skills multiple choice thematic essays and document based questions

Sugar A Global History Introduction

Sugar A Global History Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sugar A Global History Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sugar A Global History : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sugar A Global History : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sugar A Global History Offers a diverse range of free eBooks across various genres. Sugar A Global History Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sugar A Global History Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sugar A Global History, especially related to Sugar A Global History, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sugar A Global History, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sugar A Global History books or magazines might include. Look for these in online stores or libraries. Remember that while Sugar A Global History, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sugar A Global History eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sugar A Global History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sugar A Global History eBooks, including some popular titles.

FAQs About Sugar A Global History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sugar A Global History is one of the best book in our library for free trial. We provide copy of Sugar A Global History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sugar A Global History. Where to download Sugar A Global History online for free? Are you looking for Sugar A Global History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sugar A Global History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sugar A Global History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sugar A Global History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sugar A Global History To get started finding Sugar A Global History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sugar A Global History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sugar A Global History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sugar A Global History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sugar A Global History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing

you to get the most less latency time to download any of our books like this one. Merely said, Sugar A Global History is universally compatible with any devices to read.
