

Today I learnt...

1. God promised Abraham and Sarah a son.
2. Abraham and Sarah had to wait on God.
3. God kept His promise, even though it came about a long time after God had made it.
4. Sometimes obeying God means that we have to wait for His perfect timing.

While they were eating, the three visitors shared some exciting news. They said to Abraham, "Your wife is going to have a son."

Sure enough, the next year, Sarah had a baby boy. They named him Isaac.

Isaac, the Son of Promise

"For Sarah conceived and bore Abraham a son in his old age, at the set time of which God had spoken to him."
Genesis 21:2

increase both the respect for scripture throughout the church and perhaps reinforce the memory of each passage presented in the sermon When Margaret and I resigned from leadership of the church I rewrote a series of twenty eight sermons I had given in the church I had these printed and bound together into a booklet and I gave a copy as a farewell gift to every person who attended the church These essays have been further edited and are now published under the title *A Medical Scientist Examines the Life of Jesus* The present volume is based on another series of sermons I had given in the church These too have been edited and rewritten as a series of essays under the title *Lessons for Life Based on the Lives of Abraham Isaac Jacob and Joseph* *The Sunday-school Movement and the American Sunday-School Union* Edwin Wilbur Rice, 1917

Creative Bible Lessons in Genesis Hoon Kim, 2009-05-26 Creative Bible Lessons in Genesis follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived to by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experientisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform
