**John the Baptist and the Last Gnostics** Andrew Philip Smith,2016-08-16 This fascinating study of the Mandaeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity Among the casualties of western intervention in Iraq and ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the center of their religious life and the primary exemplar of their religion is none other than John the Baptist So what is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond

**The Mandaeans (Last Gnostics) and the Christians in the Time of Jesus Christ** Carlos Gelbert,Sue Aran,2013

**John the Baptist and the Last Gnostics** Andrew Phillip Smith,2016-08-16 Are there still Gnostics and can their roots be chased back to John the Baptist Among the casualties of the western intervention in Iraq and the recent activities of ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the centre of their religious life and the primary exemplar of their religion is none other than John the Baptist What is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond

**The Rowman & Littlefield Handbook of Christianity in the Middle East** Mitri Raheb,Mark A. Lamport,2020-12-15 This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has

been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region

**The Secret History of the Gnostics** Andrew Phillip Smith,2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today s Mandaeans in Iraq However as the author points out the revival of Gnosticism extends further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism s emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today s multicultural world In addition to discussing the Gnostic gospels and the sect s practical beliefs and customs The Secret History of the Gnostics is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins

**John the Baptist and The Last Gnostics** Andrew Phillip Smith,2016-09-23 Are there still Gnostics and can their roots be chased back to John the Baptist Among the casualties of the western intervention in Iraq and the recent activities of ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught

[The Mandaeans—Baptizers of Iraq and Iran](#) Karen Baker,2017-09-28 The secrets of a complex belief system that have sustained the Mandaeans in their centuries old native lands in Iraq and Iran have been collapsing before their eyes This little known Gnostic sect has been hidden from global awareness until now With a passion for the obscure Karen Baker has delved into this secret sect exploring the effects of the turmoil they have faced in their homeland and are now facing in Diaspora The Iraqi and Iranian Mandaeans have fled their homes with nothing more than the clothing on their backs being thrust into the status of refugees watching their traditions and cultures crumble as they encounter new lands and new cultures This book discusses the potential receptivity of Mandaeans to Christianity through several perspectives including an evaluation of their relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism Christianity and Islam It will be of interest to those interested in little known cultures from a historical and religious perspective those involved with

refugees and immigrants and those who desire to understand the foundational beliefs of Mandaeism

**The Gnostics**  
Andrew Phillip Smith,2012-01-01 According to the ancient Gnostics the early Christians who wrote such controversial texts as the recently discovered Gospel of Judas we are all capable of gnosis or direct knowledge of the true reality that lies behind the material world Andrew Phillip Smith author of respected works on the lost sayings of Jesus the Gospel of Philip and other Gnostic subjects now offers a highly accessible layman s introduction to this long suppressed philosophy that offers an intriguing alternative to accepted Christian beliefs With references to The Da Vinci Code The Matrix and other fictions inspired by the Gnostic worldview this is an eye opening and possibly life changing book meant to revive forgotten traditions and perhaps even allow readers to experience gnosis themselves

**The Mandeans** Jorunn Jacobsen Buckley,2002 The Mandeans were a gnostic sect that arose in the Middle East around the same time as Christianity This text examines the lives and religion of contemporary Mandeans and provides an introduction to the religion showing how its ancient texts inform the living religion and vice versa

The Mandaean Gnostic Religion Brikha H. S. Nasoraia,2021 The Mandeans commonly called the Followers of John the Baptist are the longest surviving Gnostics and this book is the first in depth study of their practices especially their baptismal rites and their teachings of deep knowing in mystical literature and fascinating stick figure art Mostly from Iraq and Iran through persecution the Mandeans have been scattered around the globe

**Spirituality in the Land of the Noble**  
Richard Foltz,2004-02-23 An evocative journey into a diverse culture this is the engaging yet long neglected story of Iran s influence on the beliefs practices and scriptures of the world s religious traditions Spanning the full spectrum of Persian

history from the earliest settlers right up to the present age Foltz offers a fascinating and invaluable insight into not only Iranian identity but also the way in which religious traditions grow and change

**The Mandaean Book of John** Charles G. Häberl, James F. McGrath, 2019-11-18 Given the degree of popular fascination with Gnostic religions it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day Mandaeism Mandaean who esteem John the Baptist as the most famous adherent to their religion have in our time found themselves driven from their historic homelands by war and oppression Today they are a community in crisis but they provide us with unparalleled access to a library of ancient Gnostic scriptures as part of the living tradition that has sustained them across the centuries Gnostic texts such as these have caught popular interest in recent times as traditional assumptions about the original forms and cultural contexts of related religious traditions such as Judaism Christianity and Islam have been called into question However we can learn only so much from texts in isolation from their own contexts Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism and by extension all these other religions but also to observe the relationship between Gnostic texts rituals beliefs and living practices both historically and in the present day

*The Travels of Friar Odoric* Odorico (da Pordenone), 2002 Setting off only twenty years after Marco Polo's historic trip to the East Odoric was the only religious traveler to the East whose voyage was recorded making his account one of unparalleled importance for scholars and historians Interestingly Odoric noted the religious and cultural customs of the places he visited treating their practices with tolerance respect and curiosity He frequently took pains to tell of spectacular things mountains of salt impenetrable deserts mice as big as dogs trees that produced bread magic fish sensational pearls gigantic tortoises men with faces of dogs hens covered in wool and women equipped with fangs making this fantastic reading even for those with casual interest

**The Tree in the Lightworld** Jon Olav Ryen, 2006 In *The Tree in the Lightworld* the author examines the vine symbol in Mandaeanism the only surviving Gnostic religion from ancient times Most Mandaean still live in their traditional areas in southern and southwestern Iran The book shows how the vine is a significant symbol in this religion and that it occurs very often in Mandaean literature compared to other Gnostic and Jewish writings The motif provides a broad variety of meanings with the Tree of Life as the most important symbolic content Additionally the book shows how the vine symbol is also connected to both dark and light beings in the universe and the author looks at the striking parallels between the Mandaean vine and Jesus' famous words about the vine in the gospel of John
