## **The Meaning Of Jesus Two Visions Plus:**

*A Theology for the Twenty-First Century* Douglas F. Ottati, 2020-10-15 Christianity in the United States is in crisis Liberalism is declining evangelicalism is splintering increasing numbers of Christians are slipping away from churches and more and more young people are for various reasons finding Christianity as they conceive it a metaphysical thought system or society of science deniers or an ideology for oppressors not just implausible but repellent At the same time Christians across denominational and ideological divides are rediscovering a moral core especially in the Jesus of the Gospels that reactivates and unites them and this kind of faith appeals to many who consider themselves averse to all traditional organized religion But any revitalized Christian faith is going to need to understand its rootedness in and interpretation of Christianity's foundational texts and traditions Noted theologian Douglas F Ottati steps in to offer a theology for this new era Combining deep learning in texts and traditions with astute awareness of contemporary questions and patterns of thought and life he asks what does it mean in our time to understand the God of the Bible as Creator and Redeemer Distilling the content of Christian faith into seventy concise propositions he explains each in lucid cogent prose *A Theology for the Twenty First Century* will be an essential textbook for those training for ministry in our current climate a wise guide for contemporary believers who wonder how best to understand and communicate their faith and an inviting and intelligent resource for serious inquirers who wonder whether the way of Jesus might help them grasp the real world while remaining open to the transcendent

*Kierkegaard's Incarnational Mission* Michio Ogino, 2025-06-30 One lacuna in S ren Kierkegaard scholarship is in analyzing his works with his self described identity as a missionary to Christendom in mind Challenging the international connotation of the term missionary Dr Michio Ogino examines Kierkegaard's works in which he identified himself as a missionary writer to reveal how he considered being a missionary an integral part of being a Christian By chronologically and empirically examining the writings of S ren Kierkegaard Dr Ogino argues that Kierkegaard not only proclaimed Jesus Christ in his homeland but did so in a manner similar to how Christ had done on earth incarnating the Christian message for his contemporaries Through this provocative exploration Ogino lays out how the application of Kierkegaardian mission can help to overcome five recognized barriers in Japanese evangelization Kierkegaard scholars and readers will find a new understanding of the motivations and reasoning behind his works and missionaries not only to Japan but all nations will be encouraged in how his approach can be applied in their context

*Clear Faith: Clearing Away Stumbling Blocks for a Faith that Makes Sense* Susan Stover, 2012-04-04 Are you disillusioned by some aspects of Christianity like having to believe the right things to get saved Like the idea that an all loving God would sentence anyone to hell Like understanding an often contradictory Bible Then meet CLEAR FAITH Clear away those stumbling blocks to uncover a faith of your own that makes sense Meet the Jesus we can truly call brother By seeing with new eyes through a clear lens we can experience and live with a simple straightforward faith that is globally inclusive open and compatible with a

progressive scientific worldview Susan Stover writes as a seminary educated mainline Christian lay person who has been tripping over stumbling blocks long enough to compel her to seek new perspectives in faith The CLEAR FAITH perspective is like a brand new pair of glasses bringing the foggy into sharp focus *Cathedral Age* ,1999 **The Women's Study Bible** Mary J. Evans,2009 Everyone knows about Noah Moses and Paul But what about Hagar Michal and Priscilla all women who had a direct influence in the story of God s people The Bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today In The Women s Study Bible respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today Separate sidebars cover topics such as midwifery women disciples and female images of God The Women s Study Bible doesn t shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included Book Jacket **The New Interpreter's Bible: Acts, introduction to epistolary literature, Romans, 1 Corinthians** ,1994 **Forthcoming Books** Rose Arny,1999 *The New Interpreter's Bible* Abingdon Press,2002 Full texts and critical notes of the New International Version and the New Revised Standard Version of the Bible in parallel columns **Supplements to Novum Testamentum** Charles H. Talbert,2003 **Leaves of Healing** ,1927

Jesus, a New Vision Marcus J. Borg,1987 This book attempts in a scholarly and nondogmatic way to say This is what the historical Jesus was like this is what he taught and this is what his mission was about It seeks in short to sketch a portrait of what Jesus was like as a figure of history before his death A twofold purpose to present a synthesis of modern Jesus scholarship that is accessible to the general reader whether Christian or among the interested inquirers to make a serious scholarly case for a particular image of the historical Jesus that is considerably at variance with the dominant scholarly image
