Colin McLear,2003 The Mojo Collection Jim Irvin,Pat Gilbert,2002-06 Compiled by the staff and contributors of MOJO magazine this volume tells the stories behind the greatest albums of all time and the artists who made them From The Beatles to The Verve from Duke Ellington to Bob Marley this book presents a guide to the history of the pop album The Rock Canon

CarysWyn Jones,2017-07-05 Canons are central to our understanding of our culture and yet in the last thirty years there has been much conflict and uncertainty created by the idea of the canon In essence the canon comprises the works and artists that are widely accepted to be the greatest in their field Yet such an apparently simple construct embodies a complicated web of values and mechanisms Canons are also inherently elitist however Carys Wyn Jones here explores the emerging reflections of values terms and mechanisms from the canons of Western literature and classical music in the reception of rock music Jones examines the concept of the canon as theorized by scholars in the fields of literary criticism and musicology before moving on to search for these canonical facets in the reception of rock music as represented by ten albums Bob Dylan's Highway 61 Revisited The Beach Boys Pet Sounds The Beatles Revolver The Velvet Underground's The Velvet Underground Nico Van Morrison's Astral Weeks Marvin Gaye's What's Going On The Rolling Stones Exile on Main St Patti Smith's Horses The Sex Pistols Never Mind the Bollocks Here's the Sex Pistols and Nirvana's Nevermind Jones concludes that in the reception of rock music we are not only trying to organize the past but also mediate the present and any canon of rock music must now negotiate a far more pluralized culture and possibly accept a greater degree of change than has been evident in the canons of literature and classical music in the last two centuries Popular Music Culture

Roy Shuker,2022-03-22 Now in its fifth edition this popular A-Z student reference book provides a comprehensive survey of key ideas and concepts in popular music culture examining the social and cultural aspects of popular music Fully revised with extended coverage of the music industries sociological concepts and additional references to reading listening and viewing throughout the new edition expands on the foundations of popular music culture tracing the impact of digital technology and changes in the way in which music is created manufactured marketed and consumed The concept of
