The Mystery Religions:

The Mystery-religions and Christianity Samuel Angus, 1925 **Ancient Mystery Cults** Walter Burkert, 1989-10-15
The foremost historian of Greek religion provides the first comprehensive comparative study of a little known aspect of ancient religious beliefs and practices **The Mystery-Religions** S. Angus, 2012-04-30 Classic study explores the Eleusinian mysteries of ancient Greece Asiatic cults of Cybele the Magna Mater and Attis Dionysian groups Orphics Egyptian devotees of Isis and Osiris Mithraism and others *The Mystery Religions* Samuel Angus, 2011-11 This classic study offers an understanding of the ancient religious cults exploring their appeal and eventual failure in the face of Christianity Topics include the Eleusinian mysteries of ancient Greece Asiatic cults of Cybele the Magna Mater and Attis Dionysian groups Orphics Egyptian devotees of Isis and Osiris Mithraism and others The Mystery Religions and the New Testament Henry Clay Sheldon, 1918 The Ancient Mysteries Marvin W. Meyer, 1999-05-07 Zeus and the other gods of shining Olympus were in reality divine only by popular consent Over the course of time Olympian luster diminished in favor of religious experiences more immediate to the concerns of people living in an increasingly cosmopolitan ancient world These experiences were provided by the mysteries religions that flourished particularly during the Hellenistic period and were secretly practiced by groups of adherents who decided through personal choice to be initiated into the profound realities of one deity or another Unlike the official state religions in which people were expected to make an outward show of allegiance to the local gods the mysteries emphasized an inwardness and privacy of worship within a closed band of initiates In this book Marvin W Meyer explores the sacrifices and prayers the public celebrations and secret ceremonies the theatrical performances and literary works the gods and goddesses that were a part of the mystery religions of Greece in the seventh century B C to the Judaism and Christianity of the Roman world of the seventh century A D The Mystery Religions and Christianity Samuel Angus, 1977-03-01 **Hellenistic Mystery-Religions** Richard Reitzenstein, 1978-01-01 Pittsburgh Theological Monograph Series General Editor Dikran Y Hadidian **The Mystery-religions and Christianity** Samuel Angus, 1989 *St. Paul and the Mystery Religions* John Franklin Troupe, 1917 The Mystery-religions and Christianity Samuel Angus, 1928 The Mystery-religions Samuel Angus, 1985 Mystery Religions and the New Testament Henry C. Sheldon, 2014-03 This Is A New Release Of The Original 1918 Edition Greek Philosophy and Mystery Cults María José García Blanco, María José Martín-Velasco, 2016-02-29 The contributions to this book offer a broad vision of the relationships that were established between Greek Philosophy and the Mystery Cults The authors centre their attention on such thinkers as Plato Aristotle and the Stoic and the Neoplatonist philosophers who used and in some cases criticised doctrinal elements from Mystery Cults adapting them to their own thinking Thus the volume provides a new approach to some of the most renowned Greek philosophers highlighting the influence that Mystery Cults such as Orphism Dionysianism or the Eleusinian rites had on the formation of fundamental aspects of their thinking Given its interdisciplinary character this book will appeal to a broad

academic readership interested in the origin of Hellenic thinking and culture It will be especially useful for those eager for a deeper approach to two fundamental domains that attract the attention of many Antiquity scholars Greek philosophy and religion

The Mystery-religions Samuel Angus, 2005 *The Mystery-religions and Christianity* Samuel Angus, 1966 St. Paul and the Mystery-Religions Harry Angus Alexander Kennedy, 1913 *The Mystery Religions and the New Testament* Henry Clay Sheldon, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1918 edition Excerpt may not have gained currency in recent scholarship Doubtless the fusion of Greek and Oriental constituents following the conquests of Alexander marked an important era in the history of religion But it is quite possible to take too little account of the compromising features which limited the acceptability of any specific product of the fusion in the sphere both of Hellenic culture and of Jewish religious training It has been indicated that the measure of Paul s indebtedness to the Mystery Religions for his terms is by no means a certain index of his obligations for characteristic ideas He might very well have been too rich in ideas to need to borrow at all while yet he was measurably dependent for the terms in which he might give the ideas appropriate and effective expression Two things invite to skepticism in relation to the supposition that Paul owed any appreciable debt to the Mystery Religions as respects his fundamental ideas In the first place the sphere of Christian truth stood for him as the sphere of light and reality over against the darkness foolishness and vanity of Gentile religion Emphatic declarations in his epistles make it evident that he never could have dreamed of going into the latter domain for any part of his theological furnishing 14 The supposition of conscious recourse to that province is simply preposterous In the second place whatever resemblances can be traced between Paul s characteristic ideas and various phases in the scheme of the Mysteries they differ in fact so widely that ample proof is given that he did not either consciously or unconsciously take over into Jais own system any ruling conceptions from the latter Much of what was said in the preceding chapter on similarities and
