Thunder From The Sea:

Thunder from the Sea Joan Hiatt Harlow, 2004-05 Tom buried his face against the dog's wet fur. This was the beautiful Newfoundland dog he'd dreamed about and now that he was really here Tom didn't want to give him up. It's 1929 and thirteen-year-old Tom Campbell has always wanted a real family in a real house and a dog of his very own. Since he was three years old the only home Tom has known is the Mission orphanage on the Northern Peninsula of Newfoundland. Now he's being sent far away to live and work with fisherman Enoch Murray and his wife Fiona on Back o the Moon Island. So Tom is amazed when on his first time in the fishing boat and in the middle of a squall he rescues a Newfoundland dog who seems to have come out of nowhere. Tom names the dog Thunder. With no one to claim him the dog fast becomes Tom's loyal and constant companion. When an earthquake strikes the area Thunder proves himself invaluable to the family and the island, saving lives and warning of imminent danger and it seems that Tom and Thunder might both have a place with the Murray family. But then Fiona becomes pregnant with her first child and it looks like Thunder's owner might be found. Tom's wonderful new world is being turned upside down. Will the Murrays still want Tom? And will Tom be forced to give up his beloved Thunder? From the author of the best-selling and award-winning *Star in the Storm* comes this thrilling adventure tale about family loyalty and the special bond between a lonely young boy and a remarkable dog, a story that will leave readers cheering.

Shadows on the Sea Joan Hiatt Harlow, 2003-09 Based upon startling historical events that took place in the harbors of Maine during World War II, the author of *Joshua's Song* delivers a fast-paced mystery that will keep readers guessing.

The Formation of Candomblé Luis Nicolau Parés, 2013-11-17 Interweaving three centuries of transatlantic religious and social history with historical and present-day ethnography, Luis Nicolau Parés traces the formation of Candomblé, one of the most influential African-derived religious forms in the African diaspora, with practitioners today centered in Brazil but also living in Europe and elsewhere in the Americas. Originally published in Brazil and not available in English, *The Formation of Candomblé* reveals cultural changes that have occurred in religious practices within Africa as well as those caused by the displacement of enslaved Africans in the Americas. Departing from the common assumption that Candomblé originated in the Yoruba orixá worship, Parés highlights the critical role of the vodun religious practices in its formation process. Vodun traditions were brought by enslaved Africans of Dahomean origin known as the Jeje nation in Brazil since the early eighteenth century. The book concludes with Parés's account of present-day Jeje temples in Bahia, which serves as the first written record of the oral traditions and ritual of this particular nation of Candomblé.
