Christopher Brookmyre,2012-05-01 Death threats rock a Hollywood film festival in a thriller that reads like Day of the Locust updated and rewritten by Carl Hiaasen Kirkus Reviews After a family tragedy LAPD cop Larry Freeman gets back to work with what he thinks is a simple assignment Keep a rabid group of right wing evangelical protestors as far as possible from a celluloid celebration of ex and very X adult film actors But when a vessel is discovered off the West Coast with its crew vanished Freeman finds himself caught in a far more twisted and dangerous game than he imagined The players include the voluptuous daughter of a conservative US senator a Glaswegian photographer with a mysterious agenda a yacht load of Hollywood producers a throng of faded porn stars feeling more exposed than ever and a band of self righteous extremists bent on a glittering apocalypse Set on the near side of the millennium at a point when the world is about to spin out of control this witty thriller delivers a crazy off the wall roller coaster of a book that throws in not only the kitchen sink but the dresser the best china and the cook herself The Irish Times A wild no punches pulled ride Philadelphia Weekly      *The*

*Female Body* Peggy Morgan,Caroline Saucer,Elisabeth Torg,1996 Presents clearly explained authoritative information for women on how to prevent disease and what steps to take to heal themselves including tips and advice about fertility pregnancy menopause nutrition weight loss and body toning      Vulva Massage Techniques Altar Baikal,2023-06-27 This book is about clitoral vaginal based manual sexual stimulation techniques that are indispensable for female orgasm but rarely used in casual relationships In the book these applications are not only explained in detail there are also scientific reports showing the necessity and causality of these practices The clitoris which many people do not really know is a sex organ average of 9 cm length embedded in the pelvic region It is also possible to stimulate it through the vulva There are also under recognized pleasure points on the vulva and vagina The book covers the techniques that can be used to stimulate the clitoris and the vulva in general in an easy to understand manner Better sex means a happier relationship Therefore to give the best orgasms of her life to his lover or wife becoming a master lover who uses the sex techniques that women miss to learn about the female body anyone who wishes to take the first step towards Tantra will benefit from the book The book will also be interesting to women because many scientific reports show that what they know about their bodies but which is not widely accepted is true      **Clitoris Stimulation - Advanced Techniques to Sexually Please a Woman** Francisco

Bujan,2011-10-12 Mastering sex is one of the most challenging experiences you can face in life Why Because it s not like you can just go to the sex gym and train these skills Sex is still VERY taboo and information and training on this topic doesn t circulate freely This book is here to answer a need My goal is to give you a simple set of techniques to bring her to incredible ecstatic orgasmic experiences The most powerful and direct way to do that is not through intercourse It is through skilled clitoris stimulation In this book I show you exactly how to do just that I share with you key pitfalls you can face when massaging her yoni how to find how much pressure she needs how fast you should move how exactly do you position yourself

for best results and comfort Should you bring her to climax or can you get her to ride the orgasm wave for extended periods of time How to communicate with her while you focus on her clitoris And so much more This powerful set of sex tactics creates profound and delightful connections with your partner She will be blown away by how much pleasure and delight you can trigger in her Honestly this is EXACTLY what millions of women out there want to experience The thing is that they usually can't find partners who are skilled in the art of clitoris stimulation So they resentfully often give up on the idea of exploring this territory Expanding your sexual space to integrate these techniques is a profound and binding experience for your couple It opens a whole new energy and pleasure space in your relationship If you are a woman longing to experience these ecstatic orgasmic feelings subtly get this book for your partner and get him to learn these techniques If you are a guy who feels stacked in his love life get it to develop these skills and expand your sexual mastery I have seen how women respond to this type of clitoris stimulation It's like tapping in a gold mine of unlimited pleasure I do believe that many women are anxiously waiting for their partners to develop that skill They simply are ashamed or don't know how to ask Next time you want to engage in romantic play surprise her with these new techniques She will be blown away by the pleasure you can unleash in her with just the simple gentle touch of your finger
