For the past five years Ryan Richardson has relived that terrible night. The car door ripping open. The crushing blow to the head. The hands yanking him from the vehicle. His girlfriend Ali's piercing scream as she is taken. With no trace of Ali or the car a cloud of suspicion hangs over Ryan. But with no proof and a good lawyer he's never charged though that doesn't matter to the podcasters and internet trolls. Now Ryan has changed his last name and entered law school. He's put his past behind him. Until on a summer trip abroad to Italy with his law school classmates Ryan gets a call from his father. Ali's car has finally been found submerged in a lake in his hometown. Inside are two dead men and a cryptic note with five words written on the envelope in Ali's handwriting: *If something happens to me*. Then halfway around the world the unthinkable happens. Ryan sees the man who has haunted his dreams since that night. As Ryan races from the rolling hills of Tuscany to a rural village in the UK to the glittering streets of Paris in search of the truth he has no idea that his salvation may lie with a young sheriff's deputy in Kansas working her first case and a mobster in Philadelphia who's experienced tragedy of his own. In classic Alex Finlay form *If Something Happens to Me* is told by several distinct compelling characters whose paths intersect detonating into a story of twist after pulse-pounding twist. The novel cements Finlay as one of the leading thriller writers today.
