For students, job candidates, business executives, historians, and investors.

Food TV Tasha Oren, 2023-04-11 This book serves up an accessible critical introduction to food television, providing readers with a solid foundation for understanding how culinary culture became pop culture via the medium of television. The book follows FoodTV's journey from purely instructional resource to a wide variety of formats, from celebrity chef and restaurant profiles to culinary travel and every manner of cooking competition, from kids to cannabis. Tasha Oren traces the generic expansion of cooking on television as she argues for its development as a uniquely apt lens through which to observe and understand television's own dramatic extension from network to cable to streaming platforms. She demonstrates how FoodTV became popular commercial television through its growth beyond instruction, response to industrial and cultural change, and a decisive turn away from an association with domesticity or femininity. The story of FoodTV offers a new understanding of how certain material, stylistic, and textual practices that make up television emerge as conventions and how such conventions both endure and evolve. This book is an ideal guide for students and scholars of media studies, television studies, food studies, and cultural studies.

Killing Pretty Richard Kadrey, 2015-07-28 Sandman Slim investigates Death's death in this hip, propulsive urban fantasy through a phantasmagoric LA rife with murder, mayhem, and magic. James Stark has met his share of demons and angels on earth and beyond. Now he's come face to face with the one entity few care to meet: Death. Someone has tried to kill Death, ripping the heart right out of him, or rather the body he's inhabiting. Death needs Sandman Slim's help; he believes anyone who can beat Lucifer and the old gods at their own game is the only one who can solve his murder. Stark follows a sordid trail deep into LA's subterranean world, from vampire-infested nightclubs to talent agencies specializing in mad ghosts from Weimar Republic mystical societies to sleazy supernatural underground fight and sex clubs. Along the way, he meets a mysterious girl distinguished by a pair of graveyard eyes as badass as Slim. She happens to be the only person who ever outwitted Death. But escaping her demise has had dire consequences for the rest of the world, and a few others. For years, Slim has been fighting cosmic forces bent on destroying Heaven, Hell, and Earth. This time, the battle is right here on the gritty streets of the City of
